Introduction

A Soul has completed its Mission. It is ready to leave the physical body. Afterlife starts with a cremation* to make sure the Soul is released. Cremation cleanses destroying body contagion, releasing the Soul to move on to the Spiritual Gate. For relatives, friends, community there is grieving to be observed. After death a Relive Good Prayer or Relive Bad Prayer can be used. These prayers ask **1 God** to reward or punish a person.

***Graveyards are not acceptable they are recycled for other purposes.**

A Gatekeeper Angel decides whether to welcome the Soul or send it back. A dark Gate a Soul goes back. A bright Gate a welcomed Soul has its Judgment Day.

On Judgment day **1 God** question's the Soul. After questioning the Soul moves on to the Purity scale.

A Soul relives its' bad and good life experiences. Then they are moved to a life experiences vault.

Either a Soul gets another body, is Reincarnated. Or a Soul has collected enough life experiences to become eternal (Angel). An Angel starts with being Guardian then Reaper and eventually Gatekeeper.

There are other Angel (too complex to understand by humans)

1 God calls the spiritual universe 'Heaven' !
Heaven is where souls become 'Eternal' !
1 God calls the eternal 'Angel' !

Soul you got one !

1 God is the original Soul and **Eternal Soul**. The Soul is spiritual. The Original Soul is **1 God** both good and bad. **1 God** created 2 types of Worlds. A Spiritual: 'Heaven', a physical: 'Universe'. They co exist balancing each other. On day 4 of creation **1 God** gave every physical life form a spiritual companion. A Soul! You got 1.

Note! The Soul's physical human cycle begins at: Birth> growing> learning> multiplying> teaching> dying> cremation.

Why do I exist ? A Soul (Yours) from the Spiritual Universe gets its instruction (from **1 God**) on what life experiences (emotional and physical) it is to have in the physical Universe. Instructions are vague as is to be expected from an imperfect Universe. Giving a Soul flexibility for completion of its mission. To complete its mission in the physical Universe a

Soul needs a physical appearance (your body). The reason for your existence is to help your Soul gain the life experiences it needs to complete its mission.

Life experiences are events you remember until your dying day or memory loss. These events are dramatic happy (dream come true...) or unhappy (serious accident...), character building. Custodian Guardian believe that every individual should record their life experiences and pass them on: **Knowledge continuity** !

Why do some people die young? The life experiences mission of your Soul may have been completed at an early stage (infancy..) of existence. Whenever a life experiences mission is completed the body is supposed to die. That is why people die at different ages.

A Soul after entering a physical life form is given a 'Mission' from **1 God**. The mission is to gain specified 'Life experiences'. **The Soul delivers these to the 'Purity Scale'**.

A Soul's physical body is there to make life experiences possible. The Soul's relationship with its physical body is volatile and imperfect just like the Universe. **Imperfection leads to surprising experiences !**

A Soul and its physical body have 2 Angels assigned to them, both are Guardian Angel. **1 guards the mission (a body has an accident not part of a mission, a body is dying, 1 G. Angel makes a miracle happen. Both body and mission are saved). The other Angel tests' (temptation) the maturity of a Soul and its moral strength (conscience).**

When a Soul's mission is completed the physical body dies. The Soul moves up to a bright Spiritual Gate. A dark Spiritual Gate means the 'Gatekeeper Angel' send's the Soul back (**incomplete mission**).

Soul Prayer

1 God is waiting to hear from you !

Dear **1 God**, Creator of the most beautiful Universe
I feel empty, lost, without purpose
A humble custodian guardian who struggled to be good
A much loved person who fulfilled their mission
Fire frees this Soul for Judgment Day
A unique Soul missed
For the Glory of **1 God** and the Good of Humankind

This prayer is used after a person died. Is used at the Crematorium End portal ceremony !

Grief

Bereavement the state of being sad because a family member or friend died. When a person dies their body has an autopsy, cremation and an Estate. The Soul starts Afterlife. The people who cared about the deceased are in a state of bereavement. Bereavement comes in various emotional stages. **The most intense being Grief.**

Grief unbearable emotional pain after a Loss. Grief the most painful and character building Life experience a person can experience. One moment everything is normal, then we suffer a loss and almost unbearable emotional pain. **Pray (Grief Prayer) keep on praying. Keep on praying**

through all stages of grief! It helps!

A 1st reaction maybe numbed disbelief. This can't be happening. 'I didn't plan this'. Isolation, privacy is needed, lethargy is normal.

Next anger is felt at the cause of the grief, others, oneself, **God**. The grieving feels regret about missed opportunities. Indulges in self pity, self blame. Some embrace addictions (don't). Do Pray!

Then the bargaining with **God** and fate starts. If I promise to change or do this or that will that reverse the 'Loss' or take away the pain. Desperation resulting in wishful thinking. Do Pray!

Memories lead to reminiscing, reflection and revisiting the past. Realization of Loss sinks in. Numbness, bouts of emptiness, despair and depression occur. Do Pray!

Eventually managing grief evolves. Now it is time to normalize, reconnect with life around You. Interest in surroundings returns.

Hope returns and planning becomes essential. Reconnect! Friends, family, community await your comeback.

Go outside. Life's Good!

Birds are singing the Sun is shining, go out
Harmonize!

How can others help? Cheering up won't help, sympathy won't help, understanding won't help. Patience and support will help.

Grief Prayer

1 God is waiting to hear from you !

Dear **1 God**, Creator of the most beautiful Universe
Please welcome a member of our community
My eyes are flooded with tears
My heart is breaking under unbearable pain
Please comfort me, give me hope and purpose
Your most humble faithful custodian guardian (1st name)
For the Glory of **1 God** and the Good of Humankind

This prayer is used after the loss of a loved one !

Cremation

A human body has a beginning and end. At its end a soul needs to be released. To ensure that the Soul is released and Afterlife is possible a human body must be cremated. If a Soul is not released it exists in limbo as Ghost.

Cremation is not only needed to free a soul but also for health reasons. The cremation laser (no burning) cleanses destroying dangerous bacteria, viruses, insect larvae and fungi that may inhabit the body.

A **Crematorium** is a Provincial public service facility. This facility administers a Morgue, End Portal and garden. Here the dead have an autopsy, are fare welled and recycled.

Morgue: All deceased are transported to the morgue for autopsy. The autopsy is to establish cause of death, identity of deceased and include a toxicology to establish whether the body was contagious in anyway and could have infected another human. The Finding decides what happens next.

A natural death finding, the body is transferred to the 'End Portal. A suspicious death finding the body is moved to the 'CiL' (Criminal investigation Lab). A contagious death finding the 'Provincial Defense and Emergency center' (PDEc) is alerted. PDEc picks up the body and applies relevant quarantine and investigation.

Cannibalizing the human body before during or after autopsy is immoral, criminal. Cannibalizing is removing body parts, body fluids, eggs and sperm. Body part cannibalizing is a crime: **MS R7**

End Portal: After receiving a body a Cremator prepares the body and estate distribution information for viewing. Every body is prepared the same way no exceptions. A naked body (humans start life naked they end life naked) covered by an olive color linen sheet with only the head visible is placed in a plain cardboard coffin.

A viewing date and time is set any person can come to say farewell. Viewers may pray silently using the Soul Prayer, Relive Good Prayer or Relive Bad Prayer, Grief Prayer.

Relive Good Prayer

1 God is waiting to hear from you !

Dear **1 God**, Creator of the most beautiful Universe

Your most humble faithful custodian guardian (1st name)

Requests that the Good (name) has done deserves extra recognition (name) represents the good Humankind has to offer, an inspiration to others.

May (name) relive (number) times all the joy of recipients' of good deeds For the Glory of **1 God** and the Good of Humankind

This prayer is used for a good person before or after cremation !

Relive Bad Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe

Your most humble faithful custodian guardian (1st name)

Requests that the bad (name) has done deserves extra punishing

(name) represents Evil a blemish on Humankind

a repugnant abomination a fiend

May evil (name) relive (number) times all the suffering of victims

For the Glory of 1 God and the Good of Humankind

This prayer is used for a bad person before or after cremation !

The Cremator sets a date and time for the Cremation. An **Afterlife** mess is held by an **Elder** from the nearest **Gathering**.

The coffin is closed cremation proceeds. A released Soul enters a lit up Spiritual Gate welcomed by the Gatekeeper.. Mourners receive a plaque each to take home.

Crematorium Garden: A body is recycled via the cremation ashes. The morning after the cremation ashes are spread over the Crematorium garden. Ashes cannot be taken away. They are always spread over the Crematorium garden.

Note! Prisoners who die in **Rehabilitation** their ashes are spread over the Crematorium compost.

Cremation of other things living only applies if their physical presence is not used in any form of recycling. For cremation (pets, anything poisonous, sick..). Basically cremation is the same as for humans. **No cremation** (anything eatable or recyclable, composting material..).

Graveyard funeral a pagan ritual

Graveyard funerals are unacceptable because a growing population is to use the land more useful. Funerals may create Ghosts by not releasing a Soul. Graveyard funerals are favored by **evil elitist** showing off: Expensive coffin, expensive Headstone, pompous landscaped mausoleum.

Preservatives in food stop body's from decomposing stopping reuse of graves. Graves encourage crime, robbing and vandalism. Neglected graves attract vermin,.. they are a disgrace.

No more new Graveyards. Existing Graveyards are closed and dug up. Remains are to be cremated and spread over the Crematorium garden. The land is to be used for other purposes.

Cremation is the only acceptable type of funeral !

Judgment day a part of the 'Cycle of beginning, end, recycling' (Day 2). It's the 2nd stage of Afterlife. A Soul is released by praying and cremation. A welcomed Soul is then questioned by 1 God :

1 God wants explained what knowledge the person has continuously accumulated and how this knowledge was used for the benefit of the local habitat, environment and community.

1 God wants explained how his latest message was heeded, applied and proclaimed. 1 God wants everyone to hear the message and live by it. 1 God is watching!

Thousands of years of Evil are coming to an end. 1 God wants explained how the person helped cage Evil.

Note ! A Soul cannot use excuses, play dumb or lie to 1 God.

After explaining a Soul is praised by 1 God for its good deeds and reprimanded for failings. A Soul then moves on to the Purity Scales.

Preparation for Judgment day !

Learn then Teach; seek, gain, apply knowledge all your live. Use all the knowledge to live in harmony with yourself, family, community and environment. Then pass on life experiences as Knowledge continuity (family, work).

Read, follow (repeatedly read, absorb, think, then act), promote (tell everyone) the Law Giver Manifest, 1 God's latest 'Message'! Disregard all other religious publications! 1 God is watching!

Protect your family, community! Join, support neighborhood watch !

Support Shire night curfew !

Be good hold Evil accountable !

Purity Scale

A 'Purity Scale' weighs a soul's good deeds and it's bad deeds. It makes a soul relive it's deeds. A soul's life experiences are transferred to the Purity-Scales:

Left side
measures
Good deeds

Right side
measures
wrongs

The left side is down (↓) you done more **Good**.

Your soul relives all good things you did and the good feelings that the recipient of your good deed felt. Your soul will not only relive the good feelings that the recipient of your good deed felt but also the joy their family, friends and pets felt. Your good feelings may be extended by prayers from recipient of your good deed asking **1 God** to multiply the **relive good** experience (Relive Good prayer).

The right side is down (↓) you done more **Bad** deeds.

Your Soul relive the suffering and pain your victims felt. Your soul will not only relive the suffering and pain of your direct victim but also the suffering and pain of the indirect victims (family, friends, pets..). Your soul's accountability may be extended by prayers from victims asking **1 God** to multiply **relive bad** deeds (Relive Bad prayer).

Example: John Howard a Bully from Down under. A tyrant who invaded 4 countries with his criminal Mates. They raped, tortured, injured, killed (baby's, children, mothers, fathers, grandparents) 10's of thousands of people. Destroyed, plundered workplaces, schools, homes leaving 100's of thousands homeless, millions became refugees. Evil John will relive the suffering he and his mates caused to millions! Custodian Guardian prayed. They asked **1 God** to listen to our, Relive Bad prayer.

Life experiences vault

When the reliving stops a Soul's current memory is erased and transferred to a **Life experiences Vault**.

A Soul is now Reincarnated and enters a new physical life form.

Reincarnation

Reincarnation is used as apprenticeship by a **Soul** towards becoming an Angel. Being an apprentice a soul is on a learning curve prone to errors. As a result life experience might not live up to its full potential. A similar life experience will need to be experienced.

Previous life experiences can be gained from any kind of life form (bacteria, insect, plant, animal, human). Past life experiences and any unfinished are used to determine a Soul's next mission and into which life form it is Reincarnated (not necessarily human).

A Soul's life experiences accumulate until there are enough to complete the Apprenticeship and become Angel. Reincarnation ends when a Soul becomes an **Angel (Eternal)** with infinitive afterlife in **Heaven**.

Angel

A Newly qualified Angel is welcomed to heaven by **1 God**, becomes

Eternal and given heavenly pleasures 1st of these is being '**Guardian Angel**'. Every time a new Angel becomes an Eternal. There is great merriment (music, singing, dancing, laughter..) in Heaven.

'**Guardian Angel**' (G.A.) monitor how a Soul's mission is progressing. G.A. interfere when a soul stray's from its mission or events threaten its mission. G.A. methods of interference: conscience, miracles, vision.

Note! G.A's are the only Angels that can make themselves be seen by Humans and all creatures.

A Soul and its physical companion (**body**) have 2 Guardian Angel assigned to them. 1 guards the mission the other tests' (**temptation**) the maturity of the Soul and its moral strength (**conscience**). Resist temptation and listen to your conscience!

A Soul has completed its mission, a **Guardian Angel** tells it that Judgment Day is imminent. Folklore describes this behavior of a Guardian Angel as a Reaper or Angel of Death! The Soul cuts its bond with its body. Flashbacks occur the Soul starts moving towards a warm bright all embracing light.

A **Gatekeeper** decides whether to welcome a Soul or send it back. A Gatekeeper checks each incoming Soul if it has completed its mission and is due, to come in. Should a mission be unfinished the Soul goes back into the body (no body to go back, is assigned a new body). A Gatekeeper appears as a warm bright light!

Gatekeeper administer: Judgment Day, Purity Scale, Life experiences Vault and supervise Guardian Angel.

There are other Angel (too complex to understand by humans)

Afterlife Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe

Beliefs in an Afterlife
Beliefs there is an Eternal Soul
Beliefs in Reincarnation
Beliefs there are Angels
For the Glory of 1 God and the Good of Humankind

This prayer is used when needed !

1 God's spiritual universe is 'Heaven'!
Heaven is where Soul's become 'Eternal'!
1 God calls the Eternal: 'Angel'!

1 God's expanding Universe wants more Angel!

Deceased

A Deceased person has a community afterlife: Estate, knowledge continuity, heritage and traditions. Estate passes on accumulated knowledge, life experiences, heritage, family traditions and memorabilia. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue.

Estate inheritance

In a selfish greed driven Society upon death of an individual it is common to pass on position, power and wealth. Creating a Elite of unearned undeserved position, power and wealth. This behavior is cause and effect of wealth apartheid, a crime, **MS R6. Note!** Take up of an Estate is accepting past debt, guilt, accountability!

Inheritance of position Ends. It is replaced with promotion by work experience + further study + Seniority.

Inheritance of power Ends. It is replaced with freely multi candidate elected Committee. Leadership by 1 is tyranny (hereditary, political) it Ends. Leadership by elected Committee is fair.

Inheritance of wealth Ends. It all goes into Government Revenue.

Custodian guardian pass on knowledge continuity, traditions, memorabilia, beliefs.. Custodian guardian pass on community spirit and responsibility. Custodian guardian pass on the philosophy of **1 God 1 Faith 1 Church**. They also pass on their guide, '**Law Giver Manifest!**'

A Deceased person who raised Children (own, adopted, foster) becomes 'Immortal'! Those that didn't, 'Don't'! Children your 'Immortality'!

Knowledge Continuity Ideas, Learn and Teach, Pass on!

Ideas

Ideas are the beginning of the Future. Ideas make it possible to keep up with evolutionary changes. Ideas are the most productive of all intellectual property activity. Ideas are part of

Learn and Teach and are preserved through, Knowledge continuity (long term time management).

Don't let ideas be forgotten or lost. Write them down. Store, sort, file and revisit. Every day lots of ideas are thought off and quickly forgotten or lost. The reason being they were not preserved, recorded or written down. The best are lost!

Memory is unreliable when it comes to preserving and nurturing new ideas. Carry a notebook (planner) or recording device with you. When an idea develops preserve it. Weekly file your ideas.

Review your ideas. As you review your ideas (every 4 weeks is good). Some will have no value and are not worth hanging on to. Discard them. Some ideas appear useful now or at some later date. Keep these, file them: **Active** or **Later**. After reviewing, filing take the 'Active' file.

Pick an idea! Now make this idea grow. Think about it. Tie the idea to related ideas. Research, internet, archives, libraries,... try to find anything akin or compatible with this idea. Investigate all angles, possibilities... When you think your idea is ready to be applied. Do so! Try to get feedback so the idea can be fine tuned.

Future proof ideas through, 'Knowledge continuity'. Ensure knowledge continuity by keeping your ideas files updated. In your, 'Will'(pass on) mention where they can be found.

Ideas procedure is used by custodian guardian, individuals, committees, work groups,... Use a C.G. Planner (N-At-m).

Learn and Teach

1st Learn, when comprehending, start teaching. In free education fast learners teach slow learners. At work experienced worker trains new comers. At home, grandparents teach children, grand children. Parents teach children.

Pass on

Knowledge continuity makes an individual's knowledge (intellectual property) immortal. Every individual from age 14 keeps record of their life experiences (both positive and unsettling). Family's capture, preserve and nurture their intellectual property (I-P). Then pass it on to next generation.

Organizations capture, preserve and reuse their employees, 'I-P'. Community's utilize their citizens, 'I-P' for the good of all. Provincial Government keep Archives.

Intellectual property, an individual's live experience knowledge is preserved to become immortal. Knowledge continuity approach identifies critical knowledge and provides methods for capturing, applying, transferring that knowledge. Life experiences are to be separated between work and personal.

When an employee leaves work, vast amounts of 'I-P (Intellectual Property) are at risk. To counteract this brain drain it is critical that an employee's 'I-P' is preserved. It is essential to capture, preserve this knowledge before the employee leaves. Capturing means audio (storytelling), video (showing), shadowing (work alongside).

Note! All 'I-P' (commercial, private) belongs to the 'Shire' (community). Claiming 'Copyright', Patent right is stealing from the community, a crime **MS R6**.

Family knowledge sharing comes via children and grandchildren. Sharing means oral, audio (storytelling), video (showing), shadowing (hands on). Family knowledge sharing (pass on) is family heritage (knowledge immortality)!

SmeC (Shire medical education Complex) **62 year** old She teach: She passes on life experiences to next generation (paid 3 x wmw) at **Family College**.

PHeC (Provincial Hospital education Complex) **62 year** old He teach: He passes on life experiences to next generation (paid 3 x wmw) at **Apprentice College**.

Ideas, knowledge make us civilized! Heritage, traditions make us immortal!

For the Glory of 1 **God** and the Good of Humankind

This concludes the 7 Scrolls.
