2022-2023 AUDITION GUIDELINES

SIGN-UP REQUIRED | All Auditions are FREE and open to the public (co-ed)

To reserve your audition spots, please visit the Company tab of www.TheDancersSole.com

SIGN-UP DEADLINE: Monday, August 22nd, 2022

- There are no fees to audition – **open to ALL new AND current students** of *The Dancer's Sole*. All former AND new Company members are required to audition.
- We strongly recommend that ALL dancers audition for every group within their age category, or seek a recommendation from TDS staff. Please do not audition for tap if you do not have any previous experience.
- All auditioning dancers should follow a professional dance dress code of their choice based on the genres they are auditioning for. Please bring all dance shoes & present yourself with a clean, neat appearance. Be mindful of your classroom etiquette during the audition process – all of these factors (and more) are taken into consideration for your audition results.
- Please be ON TIME – dancers who are late will not be allowed to try out. Dancers should attend each audition slot warmed up, stretched and ready to dance.
- Each group audition will be between 25-35 minutes depending on the needs of the choreographer for the selection process.
- All dancers who are accepted into Company are required to take (1) technique class & a minimum of (1) ballet class. This applies for all levels & genres of Company: Petite, Junior + Senior. Adding a recreational Acro-Dance class as an elective is strongly recommended for all Company members.
- Miss K and Miss Greta will make all decisions regarding audition results & placements. Please note that all audition results are final & non-negotiable.
- Results will be emailed to each dancer's parent/guardian no later than Sunday, August 28th. Dancers will be required to make their decision on which groups they will be accepting no later than Thursday, September 1st.
- **Solo/Duo Placements:** Dancers who may be eligible for a solo or duo will be assessed during the group audition process and will be notified individually via email with their group results. Several crucial factors are considered for solo/duo placements, including but not limited to: overall technique; overall performance quality; maturity; ability to pick up choreography quickly and maintain independently; past class attendance; past/present classroom etiquette; etc.
- Questions or Concerns? Please reach out to us! dancers_sole@yahoo.com or 508.949.1508. We're happy to help ☺
