

Donation Form

People in the Gates Chili community and schools make a difference in the lives of our children. In lieu of gift giving, we encourage families to recognize the many efforts of these people by making a donation in their honor or memory to the Gates Chili Education Foundation (GCEF).

Please fill in the information below, and if applicable, write—or have your child write—a personal message on the bottom of this form. Return all parts to us, and we will deliver your note to the person to inform them you've made a contribution in his or her honor.

Thank you in advance for helping the GCEF reach its goal to provide student centered support to the learning community of the Gates Chili Central School District.
