### Risk Reduction Course Information:

The class includes 20 hours of alcohol and drug abuse education as required by Georgia Law. The curriculum is Prime for Life ® from Prevention Research Institute and is the only approved program allowed by Georgia law. The program assists clients to better understand alcoholism and drug addiction as a lifestyle related health problem and how to manage their risk of future problems.

**The fees for the course are mandated by law and may not be changed:**

- **Assessment fee:** \$ 100.00
- **Course fee:** \$ 255.00
- **TOTAL:** \$ 355.00

Payment of all required fees must be made **before** services can be rendered. The assessment must be completed **prior** to beginning the class. Assessment results are provided during class. All information you provide is confidential.

### Clinical Evaluations: Ga. Min. Fee \$110.00

Anyone convicted of two or more DUI offenses in ten years may be required by the D.D.S. to complete an alcohol and drug abuse evaluation (sometimes called a clinical referral); which can only be done by a DBHDD approved clinical evaluator.

We will provide you with a list of approved evaluators and can arrange for your evaluation at the location of your choice, including all our offices. These are done by appointment only.

### Level I Treatment:

Multiple offenders may be required to complete an addiction treatment program. We provide Level I (outpatient) DBHDD approved substance abuse counseling at each of our offices.

**We accept cash, money orders, and credit & debit cards.**

### Defensive Driving Course:

Traffic offenses that do **not** involve alcohol or drugs including reduction of points will require a Defensive Driving certificate. Please contact our office for a schedule if you need this course.

**This course is ONLY offered in our Dublin location.**
