

February Newsletter

February is the month in which we focus on love and how much we appreciate our families and friends. Our preschoolers will spend time this month preparing for Valentine's Day. They will decorate bags for their card exchange and make projects covered in hearts. Please be sure to read your child's classroom newsletter for instructions from the teacher on how to send in their Valentine cards for classroom distribution.

Here are a few items to keep in mind for February:

- ♥ Our in-house registration is completed for next school year and confirmations will be sent out over the next week. Please let me know if you still need to register your child for the 2020-2021 preschool year.
- ♥ Valentine parties will be held on Wednesday, Feb. 12th for 3-day Classes, and Thursday, February 13th for 2-day classes and 5-day classes. Please remember that only those parents who signed up at the beginning of the year to help at the parties should attend them, and please do not bring younger or older siblings to the parties. Those helping with the party need to be focused on their tasks, and the parties are already very crowded with the preschool children and the parent helpers.
- ♥ There will be **no school** Monday, February 3rd. This is a change from our school calendar and a reward for meeting our Run 4 Fun fundraising goal. Enjoy your extra day off!
- ♥ There will be **no school** on Friday, February 14th, and Monday, Feb. 17th, for President's Day. Enjoy the 4-day weekend!
- ♥ February is Dental Health month and we look forward every year to a visit from Dr. Rob Reineck, a dentist from Milford Dental Excellence, and a father of children in our school. He will be visiting the preschool classrooms the last week of February, teaching our preschoolers about dental health.
- ♥ Just a reminder to please check your child's book-bag every day for school correspondence. It is the main way for us to send home information from the preschool office and teachers. Happy Valentine's Day! Love, Mrs. Aimee
