

An **UPDATED** copy of the WLCT Rules and Regulations for Hitchcock Lake are included in this mailing. **Please read them carefully whether you own a boat or not. There are rules and regulations that do not pertain to boating.**

In order to put your **motorized craft (including electric as of 2013) or personal water craft** in the water, **membership and registration is required.** Carefully read the information below, complete the membership form, and sign the acceptance of the rules and regulations AND the maps of the lake outlining the no wake zones. The HLIA appreciates your support, and we look forward to seeing you on Hitchcock Lake!

2018 BOAT REGISTRATION INFORMATION

When and where are boat stickers available?

- By Mail
- Annual Membership and Boat Registration Open House on April 30th from 6:00 pm until 7:00 pm, Firehouse #1, Central Ave.
- HLIA Regular Meetings: May 21st and June 25th; Available before or after the 7pm meeting

Operating a motorized craft on the lake without an HLIA sticker is trespassing on private property and a violation of the Wolcott Land Conservation Trust Rules and Regulations for Hitchcock Lake. This will be enforced without exception.

COPIES of the following items must be submitted to obtain a 2018 Boating Sticker to place your craft, powered by a motor of any type, in the waters of Hitchcock Lake:

- A copy of 2018-2019 CT State Boat Registration, registered to lakefront property owner
- A copy of current Certificate of Insurance showing liability coverage for each motorized craft registered indicating policy coverage for 2018 Boating Season.
- A copy of a Personal Watercraft/Boating Safety Certificate for **all household users** of the vessel. **(This must be the actual permit not just the paperwork for proof of course attendance.)**
- Your HLIA dues paid for 2018
- The \$25.00 fee for each motorized boat sticker requested.
- Signed waiver for Tibbetts/Garthwait Boat launch (for North Lake Residents only)
- Your signature indicating that you have read and agree to abide by the WLCT Rules and Regulations for Hitchcock Lake and acknowledge the no wake maps included in this mailing.

Unless all of these items are presented, you will not be able to obtain a 2018 Boating Sticker and you cannot put your boat or personal watercraft in the waters of Hitchcock Lake.

Thank you in advance for your membership and commitment to keeping Hitchcock Lake safe. We look forward to seeing you at our upcoming meetings.

For Motorized craft registration: **please bring copies** of all checklist items to the April 30th, May 21st or June 25th meeting, or **mail copies** of each item to the HLIA along with a **self-addressed, stamped envelope so your sticker can be mailed to you. Thank you.**
