Course Code Utilities

- Run the Scheduled Task '2019-20 State Course Code Conversion.' This utility can be found under System Administration > District Print Queue > Scheduled Tasks
 - Once completed you can see a report generated in the District Print Queue of the courses/curriculums updated.
 - This process can be run multiple times if needed.

Course Code Utilities

- After the conversion runs, the State Course Code Override field in years prior to 2020 will be populated with the old codes on the Curriculum Master to allow EIS to report these courses in prior years.
- Note, that if the State Course Code Override field already populated with a code, that code will not be replaced.
- The Course Code field on the Curriculum will then be populated with the new Course Code for 2019-2020.

Course Code Utilities

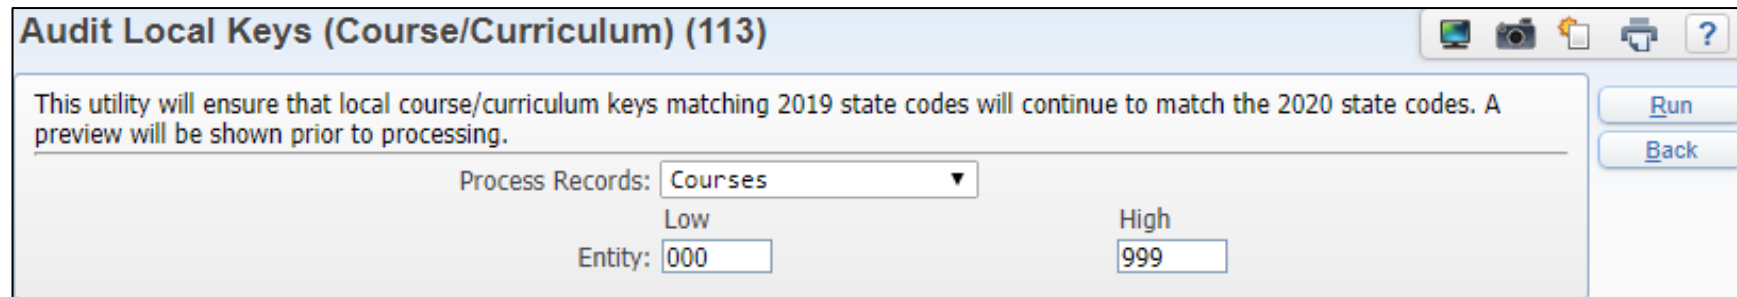

- If you match your Local Course Keys and Curriculum Keys to the State Course Code, then you can run 'sschdedit188.w' – Update Local Codes to Match New State Codes.
- This utility is located under Product Setup > Skyward Contact Access > Tools > Administration Utilities.

The screenshot displays the Skyward QA District-Student-TN web application. The top navigation bar includes the Skyward logo, the user name 'Ginger Alcivarscr', and links for 'Account', 'Preferences', 'Exit', and a help icon. Below this is a secondary navigation bar with tabs for 'Home', 'Skyward Contact Access', 'System Administration', 'Data Administration', 'Student Management', 'Human Resources', 'Financial Management', 'Employee Access', and 'Task Manager'. The 'System Administration' tab is selected, leading to the 'Administration Utilities' section, which is marked with a star and '(233)'. A toolbar at the top of the section contains icons for a warning, a document, a monitor, a camera, a star for 'Favorites', a plus icon for 'New Window', and a printer icon for 'My Print Queue'. Below the toolbar is a table titled 'Administration Utilities' with a 'Run' button to its right. The table has the following columns: Program, Menu Path, Short Desc, Type, Only Run Once?, Run From Skyward Login?, POD Prompt?, Site Specific, Site, and Long Description. One utility is listed: 'sschdedit188.w' with the menu path 'WS\OF\CS\BC\CM\CM', a short description of 'Update Local Codes to Match New State Codes', and a long description stating 'Ensure that local course/curriculum keys matching 2019 state codes will continue to match the 2020 state codes.'

| Program | Menu Path | Short Desc | Type | Only Run Once? | Run From Skyward Login? | POD Prompt? | Site Specific | Site | Long Description |
|----------------|-------------------|---|-------|----------------|-------------------------|-------------|---------------|-------------|---|
| sschdedit188.w | WS\OF\CS\BC\CM\CM | Update Local Codes to Match New State Codes | Range | No | No | No | No | State of TN | Ensure that local course/curriculum keys matching 2019 state codes will continue to match the 2020 state codes. |

Course Code Utilities

- You will receive a warning saying:
 - **WARNING - Running Administration Utilities can cause significant data issues.**
- Click the checkbox that you understand and Continue.
- You will need to run the utility once for Courses and once for Curriculums.
- Select which entities to process.
- This is an optional utility, if you don't name the Course Key and Curriculum Key based on the State Course Code, you do not need to run this utility.

Audit Local Keys (Course/Curriculum) (113)

This utility will ensure that local course/curriculum keys matching 2019 state codes will continue to match the 2020 state codes. A preview will be shown prior to processing.

Recent Service Call Trends

- Import Student State IDs
 - The csv download from EIS dropped the four blank columns
 - ID's would not import as this caused the other columns to be out of alignment
 - The state has updated the format of the csv export

The screenshot shows a web browser window titled "Import Student State IDs - Entity 000 - WS\SR\TN\EI\IS - 9448 - 05.19.06.00.08 - Google Chrome". The address bar shows a URL starting with "broker6/scripts11/cgiip.exe/WSservice=36772web/ssrcmedit005.w?isPopup=true". The page header is "Import Student State IDs (114)". The main content area is titled "Import File Setup" and contains a "File to Import:" dropdown menu, a "Remove" button, a "View" button, and an "Upload File" button. Below this is a "Select File to Import:" section with a "Choose File" button and the text "No file chosen". At the bottom, there is a "Date/Time of Last Import:" field. On the right side of the page, there are "Import" and "Back" buttons.

Recent Service Call Trends

- Missing Data in EIS
 - Districts recently reported students were missing data (above the 040 record) in EIS
 - The missing records appeared in the View Exported EIS Data, as well as in the View Exported Files.
 - When records were sent up to EIS with a State ID only (due to the masked SSNs) all records beyond the 041 errored out.
 - The Export EIS Data process would only trigger a re-send for the 040 when the PIN or SSN were changed.

The screenshot displays the Skyward NCLB Tab interface in a web browser. The browser's address bar shows the URL: broker6/scripts11/cgiip.exe/WService=36772web/ssstudtabs001.w. The page title is "NCLB Tab - Entity 000 - WS\ST\TB\NC\NC - 11381 - 05.19.06.00.09 - Google Chrome". The page features a navigation menu with tabs: Home, Students, Families, Staff, Student Services, Food Service, Office, Administration, Educator Access Plus, Advanced Features, Federal/State Reporting, and Curriculum. The "Students" tab is selected. Below the navigation menu, the "NCLB Tab" is highlighted, showing a star icon and the count "(582)". The left sidebar contains a list of options: Current, Future, Grades, GPA, TN/NCLB (selected), and Special Prgms. Under "Special Prgms", there are sub-options: Imm Status, Homeless, Hmbnd/Hosp, Res Enrl O, Non-Res In, Ltd Eng Pro, Misc, Section 504, Club Mbrshp, Com Srv Hrs, TA Services, and Grade N. The main content area displays student information for "Student: ANCONZAN000" and "Anconas, Zane". It includes fields for "Grad Year (Grade): 2025 (07)", "DOB (Age): 06/01/2007 (12)", "Entity, School, Status: 006, 006, A", "Advisor:", "Gender: M", "NY Status: A", "Other ID: 25510001", and "Phone:". Below this, the "TN/NCLB" section contains fields for "SSN:", "State Student Number: 0000001234", "Student PIN:", "TN Unique ID:", "Gifted and Talented: No", "Title 1: No", "Pst Scndry Opt: No", "US Entry Date: 01/01/1900", "Resident County:", "Grad Std Year: 2025", "Hmbnd Svc: No", "Ttl Hmbnd Hrs: 0", "Assess Hours: 0", and "Migrant: No". There are "Edit" and "TN EIS" buttons in the top right of the TN/NCLB section.

Upcoming Changes

- PR 4152455 : The Export EIS Data process has been updated to send Edits for all student records (040-052,080-083) when student SSN or PIN changes instead of sending Edits for the 040 record only.
- This PR will not affect data that has been previously exported. Districts will need to run the Resend EIS Data process to upload missing records to EIS.

Recent Updates

- PR 4093113: The Student Name and Address Override fields have been added to the TN/NCLB screen to allow districts to mask student name/address.
- Users with Level 1 access can view only and Level 2 and above will be able to edit.
- The Export EIS Data process has been updated to pull data from these new Name Override fields, if entered, and this data will only be visible in the EIS Export files.

G05H29 AP 3-D Art and Design

AP 3-D Art and Design courses are designed for students with a professional or academic interest in three-dimensional art. These courses focus on a variety of concepts and approaches in 3-D design and creation, enabling students to demonstrate a range of abilities and versatility with media, technique, problem solving, and scope. They can demonstrate such conceptual variety through the use of one or several media. Students refine their skills and create artistic works to submit via portfolio to the College Board for evaluation.

Type: G - General **Funding:** FUND_NA

Subject: 05 - Visual and Performing Arts **Grades:** 9 10 11 12 **Endorsement(s):** 027, 427 **Previous Code:** 3544

G05H24 AP Drawing

AP Drawing is designed for students with a professional or academic interest in the art of drawing. These courses focus on a variety of concepts and approaches in drawing, enabling students to demonstrate a depth of knowledge of the processes, and a range of abilities, and versatility with media, technique, problem solving, and scope. They can demonstrate such conceptual variety through either the use of one or the use of several media. These courses enable students to refine their skills and create artistic works to submit via portfolio to the College Board for evaluation.

Type: G - General **Funding:** FUND_NA

Subject: 05 - Visual and Performing Arts **Grades:** 9 10 11 12 **Endorsement(s):** 027, 427 **Previous Code:** 3533

G05H30 AP 2-D Art and Design

AP 2-D Art and Design courses are designed for students with a professional or academic interest in two-dimensional art. These courses focus on a variety of concepts and approaches in drawing and 2-D design, enabling students to demonstrate a range of abilities and versatility with media, technique, problem solving, and scope. Such conceptual variety can be demonstrated through the use of one or several media. Students refine their skills and create artistic works to submit via a portfolio to the College Board for evaluation.

Type: G - General **Funding:** FUND_NA
