PRESIDENT'S MESSAGE:

The calendar shows that fall is nearly here and the daylight hours are slipping away. The fields near my house are turning yellow and brown. Harvest will soon be upon us again.

I hope that everyone enjoyed the summer show season. Our state show at Marshalltown was a success. The official count was 183 IH tractors, 47 gas engines, 25 cub cadets, 2 pickups, 1 combine, 1 corn picker, 1 corn sheller, 3 reapers and numerous implements dating back to horse drawn examples. The weather was beautiful and encouraged attendance. MIAPA recorded strong sales during the show and announced that this year was a near record income. We as an organization should be proud!

The fall meeting will be held November 9th in Cascade, IA. Details can be found elsewhere

In this newsletter. Big thank you to James Bruns for coordinating this event and to James, Bill & Nancy MaComber for donating the hall rent for this meeting. Denny and Bobby Hammer cannot attend the meeting, so if you could volunteer to sell merchandise, please contact them, myself or a board member. Thank you!

Chapter 5 cannot function without the hard work of our many volunteers. I would like to take a moment to thank each and everyone of you for your efforts. If you would like to serve on the board of directors, we are still looking for candidates for the election in January. Please contact myself or a board member if you would enjoy shaping the future of our chapter.

Aaron Wade, Chapter 5 President
