ELECTIONS MARCH 12, 2022 at 11am meeting

Discussion of why elections are in March instead of January, the calendar year. The fiscal year starts in January. One possibility given was “the show used to be in November”. If it is changed, article 4 in the by-laws will need to be updated and filed with the Government with a fee involved. *Further discussion on changing the election to January tabled to the April meeting.*

Roland moved to adjourn the meeting, Allan seconded. Passed
