## Bill Roethle

(10 am - 11 am)

E2592 Rockledge Road

Casco, WI 54205

Bill and his family own and operate one of Northeast Wisconsin's premier apple orchards, Hillside Apples. While specializing in apples, they have much to offer including pears, pumpkins, gourds, and many local products. Bill is excited to be breaking into the giant pumpkin game and is excited to be the first stop on our tour.

## Chase Romdenne

(11:30 am - 12:30pm)

N9415 Wolfriver Drive

Algoma, WI 54201

Chase Romdenne is one of the clubs youngest growers, he has some great potential! He is looking forward to hearing all the tricks and tips of the trade from the more seasoned growers. In addition to giant pumpkins, Chase is planning on attempting to grow some long gourds this year and hoping for a new personal record in the pumpkin arena.

## Matthew Fay

(12:30 pm - Whenever....)

1715 Lake Street

Algoma, WI 54201

As you will see, life is always busy at the Fay home. We have pumpkins, gourds, and tomatoes (oh my!). Come join us for some good food and good conversation. Bring your lawn chairs, a dish to pass, your favorite drinks and enjoy the beautiful Algoma weather!
