

5TH GRADERS LOOKING FORWARD TO WASHINGTON, DC FIELD TRIP

Sara Collins fifth graders will depart Greenville on April 10 to begin a **four-day field trip** to Washington, DC. Students are looking forward to the trip, which will include visits to **Arlington Cemetery, the Smithsonian National Zoo, the United States Capitol, Newseum and Union Station**. Students will also have the opportunity to visit the **Smithsonian Museums** and will participate in a two-night Monuments and Memorials Tour. Additionally, the trip will include a visit to **Luray Caverns** during the bus trip to DC as well as a stop at **George Washington's Mount Vernon** on the way home.

Hear from some of our 5th graders about what they are most looking forward to when they visit DC...

"I'M EXCITED ABOUT DC SO THAT I CAN SEE THE **Lincoln Memorial**. I AM ALSO EXCITED ABOUT THE STOP AT THE **Caverns** ON THE WAY TO DC." - SEANNA JOHNSTONE | "I'M EXCITED TO GO TO WASHINGTON, DC BECAUSE WE GET TO SEE ALL OF THE **memorials**. I HOPE WE GET TO SEE SOMETHING THAT REPRESENTS THE DEATH OF THE PASSENGERS ON THE **USS Maine**." - NYKEILAN COPELAND | "I'M EXCITED TO SEE THE **Lincoln Memorial**. I HAVE ALWAYS WANTED TO SEE IT IN PERSON." - GABBI WATSON | "I AM MOST EXCITED ABOUT GOING TO THE **Smithsonian Museums!**" - PRESTON CLINE | "I'M EXCITED ABOUT **everything!**" - AVERY GARMENDIA | "I AM MOST EXCITED ABOUT THE TRIP **being overnight**. I THINK THAT IS GOING TO BE REALLY FUN!" - GRAY BLOUNT | "I CAN'T WAIT TO SEE **Mt. Vernon** AND SEE WHAT GEORGE WASHINGTON'S LIFE MUST HAVE BEEN LIKE." - TRISTYNN SIZEMORE

IB SELF-STUDY & SITE VISIT

Every five years, the Sara Collins staff completes a self-study of our implementation of the IB Primary Years Programme. We analyze our practices and identify areas of growth for the next five years.

The final part of the study is a visit from IB educators. They spend two days at school observing classes, interviewing teachers and students, and assessing our program. On December 4-5, 2017, educators from Colorado and Pennsylvania came to Sara Collins for the site visit.

The visitors were impressed with our students, staff, and community, offering many commendations. They highlighted:

- **Student action:** "Learning means you DO something with what you have learned!"
- **Respectful culture;** IB "is clearly a part of everyday culture."
- **Collegiality** and well-mannered students
- Our Spanish teachers' "amazing" **planning** with other IB Spanish teachers in GCS

- **School communication** with our community (newsletters, website, handouts, letters from principal, etc.)
- **District support**
- Integration of students with **special needs**
- **Consistent** system of student portfolios
- **Strong parent & community support**

Over the next several years, we will continue to revisit our Programme of Inquiry and Unit Planners to make strong links between our curriculum standards and the conceptual themes of the Primary Years Programme. Each of you is an important part of our learning community. We appreciate the ongoing, caring support you give each student at Sara Collins Elementary.

Scout-Terrific

Students and staff members are recognized for being Scout-Terrific for going above and beyond what is expected. Staff members present bookmarks to the students and notify one of our administrators. Students' names are called out on the Morning Show around the 15th and 30th of each month. These students then come to the library to receive a colorful keychain/shoe token and coupon to a local restaurant. They write their names on a special display in the cafeteria for all to see who has received this special recognition.

CONGRATULATIONS TO OUR SECOND QUARTER SCOUT-TERRIFIC RECIPIENTS!
