

ISA Delhi Section

Announces

Fertilizer Symposium 2015

Date: 10th October 2015 (Saturday)

Venue – Eros Hotel, Nehru Place, New Delhi

FERTILIZER Symposium – Automation Conference for Fertilizer Industry

- **Interact with the Industry Experts**
- **Understand the Best Practices with Automation Professionals**
- **Enrich your Experience and on-the-job Performance**

About the Event:

It is an endeavor to provide a latest technical as well as experience-sharing stage to the Process Automation Professionals from Fertilizer Plants, Fertilizer Technology Licensors, EPC & LSTK companies, System Suppliers, Engineering Companies and equipment suppliers related to Fertilizer Industry domain.

Who Must Attend :

Process Automation Professionals from Fertilizer Industry who are interested in enhancing their own knowledge of industry best practices and understanding existing trends in process safety and automation. This program also aims at fulfilling the interest of Project Engineers, Control System Design Professionals, Maintenance Managers and Operations teams.

Benefits to Participants from the Fertilizer Symposium

Participants will be able to get valuable insight by interacting with the experts on topics such as:

- **Safety System Design**
- **Environmental Compliances**
- **Maintenance of Automation Systems**
- **Best Practices of Plant Operations**
- **Latest Technology Trends**
- **A Look into the Future**

About ISA- Delhi Section

International Society of Automation, Delhi chapter (ISA-D) is a platform for End users and Manufacturers, in short "Users & Producers". ISA-D was formed almost fifteen years back and has progressed well since the inception, with present membership of around 300 and growing further. On this platform "Users & Producers" exchange their knowledge, experiences and ideas, to constantly gain in their profession and it is a win-win situation for everyone.
