Pressure Plug-In Modules		
	M090 05 32 10 CAPBs Sens FP10 Ventilation Check 0 - 20 hPa 2 x 8mm Connectors + Type K Temperature Connector	£131.44
	M090 01 01 10 CAPBs Sens PS20 Pressure 0 - 180 hPa 2 x 8mm Connectors	£91.55
	M090 01 34 10 CAPBs Sens PS22 Pressure 0 - 180 hPa 2 x 8mm Connectors with Pressure Reducer with Pressure Reducer & Barometric Pressure Pressure loss, leakage and leakage rate measurements Pressure CAPBs with integrated valves to apply defined pressure in the system using the handball pump or any other pump. Opening the knob allows to lower the system pressure. When the desired pressure is achieved the knob can be closed and measuring can be started	£131.64
	M090 05 01 10 CAPBs Sens PS10 Pressure 0 - 20 hPa 2 x 8mm Connectors	£119.08
	M090 19 29 10 CAPBs Sens PS33 Pressure 0 - 2 bar 1 x 8mm Connector with Barometric Pressure	£119.08
	M090 19 34 10 CAPBs Sens PS35 Pressure 0 - 6 bar 1 x 8mm Connector with Pressure Reducer & Barometric Pressure Pressure loss, leakage and leakage rate measurements Pressure CAPBs with integrated valves to apply defined pressure in the system using the handball pump or any other pump. Opening the knob allows to lower the system pressure. When the desired pressure is achieved the knob can be closed and measuring can be started	£159.04
	M090 08 29 10 CAPBs Sens PS40 Pressure 0 - 6 bar 1 x 8mm Connector	£107.38
	M090 08 30 10 CAPBs Sens PS41 Pressure 0 - 6 bar 1 x 3mm Connector	£107.38
	M090 08 34 10 CAPBs Sens PS42 Pressure 0 - 6 bar 1 x 8mm Connector with Pressure Reducer Pressure CAPBs with integrated valves to apply defined pressure in the system using the handball pump or any other pump. Opening the knob allows to lower the system pressure. When the desired pressure is achieved the knob can be closed and measuring can be started	£147.01
	M090 10 29 10 CAPBs Sens PS60 Pressure 0 - 20 bar 1 x 8mm Connector	£123.89
	M090 10 30 10 CAPBs Sens PS61 Pressure 0 - 20 bar 1 x 3mm Connector	£123.89
	M090 10 34 10 CAPBs Sens PS62 Pressure 0 - 20 bar 1 x 8mm Connector with Pressure Reducer Pressure CAPBs with integrated valves to apply defined pressure in the system using the handball pump or any other pump. Opening the knob allows to lower the system pressure. When the desired pressure is achieved the knob can be closed and measuring can be started	£163.05
	M090 14 28 10 CAPBs Sens PT70 Pressure Transmitter 0 - 25 bar For liquid pressure measurement	£145.94
