# Paper Cutters

## SC-22TS & SC-26TS

## SC-31TS

Shark Finishing Machinery introduces the Smart Cut series of paper cutters. These heavy duty paper cutters are built stylish and solid. They are available in three convenient sizes; 22.05", 26.4" and 31.5". These cutters are fully programmable with easy to use LCD touch screen display, safety light beams and LED cut line light. They are also equipped with side tables, knife latch, exterior blade depth adjustment and automatic paper eject feature. The SC-22TS & SC-26TS include a fold-down back gauge allowing the paper cutter to fit through most standard size doors. These hydraulic paper cutter only require 220 volts (1-phase). They are simple to operate and require minimal maintenance.

- Three convenient sizes available; 22.05", 26.4", 31.5"
- Hydraulic Clamping & Cutting on all models
- Standard side tables on all models
- Foot Pedal clamp on all models
- Red LED cut line light for better visibility
- Light safety beams for added safety to the operator
- Large LCD Color Touch Screen display
- Completely programmable
- Automatic Paper Eject Option
- Two hand push button operation
- Blade latch device prevents blade descent in case of emergency
- Blade depth adjustment from outside the machine, no need to remove covers

## SPECIFICATIONS

|  | SC-22TS  | SC-26TS                                      | SC-31TS   |
|--|--|--|---|
| Maximum cutting width  | 22.05 in / 56 cm                               | 26.4 in / 67 cm                              | 31.5 in / 80 cm                                       |
| Maximum cutting depth  | 22.05 in / 56 cm                               | 26.3 in / 67 cm                              | 31.5 in / 80 cm                                       |
| Minimum cutting size   | 0.79 in / 2 cm                                 | 1.18 in / 3 cm                               |   |
