The Aspire Dance Company is for dancers ages 6 -19. The company competes at various prestigious dance competitions and conventions, and also performs at many fun local community events! The Aspire Youth Company is both regionally and nationally recognized as a top competitive team. Our dancers have earned dozens of first place and overall high score awards, judge's awards, scholarships, special recognitions, studio of the year award, and have even been scouted by top talent agents. The company offers unique opportunities to train with master teachers, work with incredible choreographers, participate in special dance events, and be a part of an amazing, unique, positive, and supportive team.

We have 3 different age groups that make up our company: Minis (ages 6-8), Juniors (ages 9-11), and Teen/Senior (ages 12-19). Within these groups we also offer different dance "crews" centered around specific dance styles. Each crew has their own specific training requirements.

The Aspire Dance Company provides a positive environment for dancers to learn and grow, perform, build self-confidence, and be a part of a team. It is a true dance family, and the dancers who are a part of it make lifelong friends and create lifelong memories!
