Hello Emma,

I am attaching the slides for Thursday.

Best wishes,  
Vanessa

Hello Emma,

That looks fine, thank you for putting it together! I will be around Thursday afternoon and Friday afternoon, so I will try to ring then.

Thanks,  
Vanessa

Hi Vanessa

Sorry for the delay in coming back - we are very short of volunteers and are somewhat maxed out at the moment (I know you can empathise!)

I have drafted the short piece below for the newsletter - let me know if that is ok. Very happy to have a chat about the content in more detail - how does the end of this week look for you? My mobile is 07957 439080

DRAFT

**Talk on Outreach in Woking 23rd March**

Vanessa Clark is leader of Outreach & Inclusion at Freemantles School, which provides outreach to primary schools in west Surrey. She will explain what the Outreach service offers and how the referral process works.

The Freemantles team is part of the Surrey Autism Outreach service and aims to support pupils with Autism and related

The Freemantles team is part of the Surrey Autism Education Centre and aims to support pupils with Autism and related difficulties within their school setting and the staff who work alongside them. They do this through schools visits and through providing a range of training opportunities for professionals and parents, from Autism Awareness to specific topics such as PDA. The team also offers email or telephone advice to both parents and professionals.

Vanessa has taught in mainstream schools, where she has worked with and supported a number of pupils with Autism. She has completed the MA modules in both Autism and Speech and Language Difficulties. Vanessa joined Freemantles in September 2010 as a class teacher and became a member of the Social Stories team in 2011. Vanessa took over as Outreach leader in 2013.

Date: Thursday 23rd March  
Time: 7.45 for 8.00pm til approx. 9.30pm  
Venue: Christ Church, Night Entrance, Church Street East, Woking GU21 6YG

Our talks are free to attend and are open to families with children, young people and adults with or without a diagnosis. Please email [emma@mugsy.org](mailto:emma@mugsy.org) if you are planning on coming along to give us an idea of numbers.

Thanks  
Emma

Hello Emma,

Yes that will be fine for the 23rd. Would you be around at some point for quick telephone call about the content?

thanks,  
Vanessa

Hi Vanessa

Sorry this has taken an age - Christ Church have had staff changes and I've been struggling to book a room. Can you still do the evening of 23rd March? If that's a goer, could you draft a paragraph about what outreach is and what topics you will cover (access will be a key one).

Many thanks  
Emma

Hello Emma,

Yes that would be fine. I might struggle to do the 16th or 22nd, but I may be able to swap things about with enough warning. The other dates are fine.

Best wishes,

Vanessa

Hi Vanessa

Hope you're well. I was chatting to Emma at the Sensory conference at Denbies yesterday and mentioned that I'd like to invite you to come and talk to us to give parents an update about outreach services at our Woking meeting in March. We've not fixed a date yet, but provisionally looking at 14th, 15th, 16th, 22nd or 23rd, subject to venue. This would be at one of our evening talks at Chirst Church in Woking town centre - talks start at 7.45 for 8.00pm and last around an hour - 90 mins including Q&As.

Do let me know as soon as you can as I am putting together our Feb/Mar newsletter right now so would like to get it nailed asap.

Thanks  
Emma
