

## **NORTHEAST REGIONAL JUNIOR BEAGLER PROGRAM**

The NEBGF, PBGF, NEHBA and IBGA have joined forces in it's own Junior Beagler Program. As you already know, there are other Junior Handler programs. Any and all programs have been rewarding to our young handlers but the effectiveness at our regional level has been lacking. This program is to introduce beagle handling in the Northeast region to our youth; to reward and compliment them as they grow to love the world of beagles as we do.

### **CLUB LEVEL**

If we haven't already, we will be reaching out to all Northeast Regional clubs looking for one representative from that club to introduce and mentor the program at it's club level. The responsibility for the representative will be:

- (1) Introduce the youth into the program
- (2) Help them get an AKC registered dog to run
- (3) Mentor them on trials and hunting with beagles

This is a great responsibility and also a rewarding one. By adopting this at the club level, our hope is that it will be embraced by all club members.

Please send your representative contact information to:
