

April 2019

Dear Friends,

I continue to be amazed as we have seen hundreds of officers attend our free lunches. They come on duty and we feed them and then present the gospel to them. Most of these men and women are not believers, but they continue to come, and we continue to sow the seed of the gospel.

God is working in hearts and the Lord has given us favor with these officers. It is a great joy to see them thank us each time for ministering to them and showing them love by offering them free meals.

Ken Laurita, a retired police officer from Denver who was also a SWAT officer for 10 years shared his testimony at our lunch the first week in April in Colorado Springs. His SWAT chaplain, a pastor, invited him to go to Israel with him a few years ago and Ken was saved while in a boat on the Sea of Galilee. Only God could work in that way. Pray for us as we plan to do our first lunch for Denver Police Department in June of this year.

I was amazed as we had a group of 35 at our Westminster Police Department lunch the first week of April. Most of those who attended are not believers, but they heard a great gospel presentation.

I spoke at a breakfast for police in New Jersey the end of March. Our staff members, Lt. Pat Riley and Carl Bowers, worked hard at organizing the event. I was able to share the gospel with this

group of men. We are grateful we are able to partner with Calvary Baptist Church in Carney's Point for this outreach.

God has burdened my heart to begin other outreaches in the USA. I have been praying about Chicago and other cities. Please pray with me that God will open these doors and give us an effective ministry to law enforcement officers throughout this country.

We have a great staff of active and retired law enforcement officers and their spouses. I am grateful to be able to work with these faithful followers of Jesus. Thank you for your prayers and support that enable us to continue in this ministry. God bless you.

Sincerely,

Randy Green
