Enclosed with your newsletter is your billing invoice for this coming summer. Please remit your payment to the Beach Association no later than April 30, 2017. All PAID members will receive their badges within the first 2 weeks of May. Any payments received AFTER May 1, 2017 cannot be guaranteed that they will receive their badges in time for Memorial Day weekend. Opening Day will be Sunday May 28, 2017.

Date for the Beach Clean Up Day prior to opening day will be on Saturday, April 22, 2017, weather permitting. Rain date is Sunday, April 23. Many hands make light work so we are asking for at least 10 volunteers to help for the day, including at least 4 men to help move the benches and cut the lawn.

For this coming year we are looking for more help. Due to increasing medical problems Ed and Gloria Bilder can no longer cut the lawn at the beach, lift any heavy items or load and unload supplies from their home for the Open House events. We absolutely need volunteers to step up to the plate and continue to keep our beach looking presentable at all times. There are 2 issues that we need to address before the end of March. 1) We are in need of a handyman/contractor to repair our benches before the summer season. 2) We are in need of a volunteer with a lawnmower and a truck to cut the lawn at the beach at least twice a month beginning in April through the first half of September. If you can help, please contact the Bilder's at 570-639-2329.

SAVE THE DATE: Our OPEN HOUSE CELEBRATION will be on Sunday, June 25<sup>th</sup>  
More info about this event and our summer season will be sent with the May newsletter.
