

Forte Academy of Dance & Music - Fall Letter

- 1) **Reminder:** Please remember that **NO FOOD, DRINK, OR GUM** is allowed in the studio, with the exception of water. This is to promote optimum cleanliness of the facility for the benefit of our students and staff. Please dispose of these items before entering the building.
- 2) **Tuition Payments:** Just a reminder that all **tuition payments are withdrawn via automatic payment on the 15th of the previous month**, as noted on the payment schedule that was provided to you at registration. Please inform us of updated card information as soon as possible. Late fees will apply to past due payments per our tuition payment policy.
- 3) **Snow Days:** Cold weather is coming! Notification of studio closure due to inclement weather will be posted **on our website and facebook page**. Those sources should be checked as the authority on whether the studio is closed. We will also try to send out an email and post a notice on the door, whenever possible. We are no longer closing anytime Waterford Schools is closed for weather, so please check our sites for information going forward.
- 4) We have new observation windows in the dance studios! While you are welcome to peek into class, **please refrain from taking pictures or recording through the window**. We have designated parent observation days, during which time you will have that opportunity. Please also **refrain from moving the lobby chairs** so children can look into the windows, for safety reasons.

5) **IMPORTANT DATES! Mark your calendars now!**
