Chapter Director's Letter

Hello LA-J

Hello Everyone!!

We sure hope you are all doing well. We really miss you all and hope we can resume our meetings real soon. Until then, please keep doing all you can to stay safe. The President has asked all of us to stay home through the end of April. If we all do our part it will be back to normal before you know it. I guess if you wanted to take a short ride to charge your battery and don't stop anywhere, it would probably be ok, since you are not in contact with anyone while riding.

We want to say a special thank you to Karen and Darmie for brightening our lives by joining our group while you were here. You will be missed, but we will have to plan a ride to come see you soon.

At this time, the Texas ride for the end of the month is still up in the air. Leo will let everyone know in a week or so if it will be cancelled. The District Rally has been moved to October 22-24. Please see the information on the GWRRA Louisiana website <http://www.gwrra-la.net/>. We will send out more information closer to the rally. We will also sent out an email about the New Mexico ride planned for the fall. We hope you will make plans to join us for a great trip. Other activities are on hold till further notice. But stay in tune to your email and Facebook for further information.

Until then...

We miss you all!

Your Chapter Directors

District Directors

April 2020

Hello GWRRA members:

These are trying times we are living in. Your District Team hopes EVERYONE is doing their part to stop the spread of this virus. With that said, Chapter Directors, this is the perfect time to get all of your members contact information in order. We cannot gather like normal so this is the time to reach out to all of your members just to ask them how they are doing. Who knows, there may be a member that needs some help but is afraid to ask. Write a quick note and email it to everyone. Send out a text to everyone just to say hello. Send out a calling post just to tell everyone you and your Team are there for them. We are GWRRA Louisiana and we take care of

our own. “We Are Louisiana Proud”

So here is the CHALLENGE Chapter Directors. Contact ALL of your members to see how they are doing. Send us an email and tell us your findings, and we will send that out to our Louisiana email list letting them know how EVERYONE is doing. (With their permission)

As you know, today was supposed to be the opening of our rally in Houma. Well as they say “Good things come to those who wait.” Yes, and wait we will till October 22nd, 23rd & 24th. Our Mardi Gras Madness Rally Re-Deaux will be at the same hotel in Houma. As of this time the room block is not in place yet, but as soon as it is we will let everyone know.

As always, if your Louisiana Team can do anything for YOU, please let us know and we will do our best to help.
