

QBC VIRTUAL MEETING Wednesday 1/20/2021

La Trease Stevenson treasure report

\$15,158.25

Kathy Worley- Banquet is Postponed until a later date. Decision handed down from Administration due to a parent attending a school function and contracted Covid19. Sadly this parent later passed away due to complications from the virus. Our hope is that during the Spring we will be able to have a Banquet or rewards/letters given out. More to come.

Senior Shout outs weren't able to be displayed due to us not having a home Varsity game. We plan to display next week on the fence which can be seen from the parking lot or PE. Your child may take them down and bring them home if they choose.

Dana Boddy- Has headed the nominating committee as she has the past few years. There are four out of six positions submitted which is the requirement for the Board to start. There are two positions available. If announced votes pass tonight, they will go forward in their position.

President- Michelle Stacks, **VP of Fundraising**- Monica Willis, **Secretary**- Sheldra Betties, **Treasure**- Tameka Leonard. Voted all in favor of the positions approved none opposed. Open positions are; Vice President of Field Maintenance and Chaplin. Email Dana Boddy ASAP if interested at. DBoddy@ecsdfi.us

Introduction of New President, Michelle Stacks. New Board will decide when next meeting will be held.

Coach Rhett Summerford-

We've started getting back into the weight room. This is the most strength training period through Spring Break. Most players have been asked to get shake bottles for protein after every workout. Players will lift everyday. Grades will be different as they will have to bring to class, Tennis shoes, T-shirt & shorts everyday. If they fail to bring these items they will lose points. Biggest time of year for strength and muscle building. I communicate through text with the players. I'm in the weight room everyday. Open weight room will be Mon, Tues & Thurs after school. Coaches as well as Coach Taylor, the strength and conditioning Coach will be there most days to work with them. If your child is interested in Weightlifting it's not too late. From now until February you can expect us to be in the weight room lifting. In February Coaches will have a weekly meeting with players in their position group to start learning the schemes and watching videos. After Spring Break we will have access to the field to start workouts. Signing day is approaching where we will celebrate our Seniors that sign. Our Spring practice will begin May 1st. We will have a Spring Game as well as Red & Black game. On our Facebook page @wfhsfootball we will have a Super Bowl Boston Butt sale. We're trying My School Bucks for payments. This will go straight to the Football program. Thank you to all of the previous Board members for your dedication and hard work.
