Do You Know A Deployed Service Member?

The Rolling Hills Blue Star Moms is a 501(c)(3) charity organization chartered by the Blue Star Mothers of America. We are in search of APO/FPO addresses of deployed military service members to send care packages to.

Simply email the name, rank and APO/FPO address, along with their return date to the states, if known, to:

president@rollinghillsbluestarmoms.org OR simply go to:

www.rollinghillsbluestarmoms.org/let-us-send-a-care-package.html

If you don't know a service members currently deployed, please ask around. You will be surprised just how many of your friends, or friends of your friends may have, or know of a member of our military serving overseas.

Please Note: We strictly adhere to OPSEC guidelines and will only share these addresses with other Blue Star Mothers of America chapters in good standing.
