Grace Lutheran Church Observes Advent and Christmas

The liturgical season of Christmas begins with Advent. Advent marks a time of spiritual preparation by people of faith before Christmas begins (December 24). Advent begins on the Sunday closest to the Feast of St. Andrew the Apostle (Nov. 30). The importance of this season is two-fold. First, it focuses our attention to the wonder of Immanuel among us on that first Christmas. And second, it reminds us that Jesus is coming again to judge “the living and the dead.” And for that we must be ready. To help remind ourselves that Christmas is primarily a Christian observance, the following activities and services will be observed.

Advent Midweek Devotional and Soup Supper on December 19th, 7:00PM:

There will be soup suppers at Grace Lutheran Church on the 12th and 19th at 6:00PM. There are sign up sheets in the foyer, for volunteering to bring items. If you find it hard to go out at night, please talk to Pastor. We have people ready and willing to pick you up and take you.

The Advent services will take place following the soup suppers, on the 12th and 19th, 7:00PM

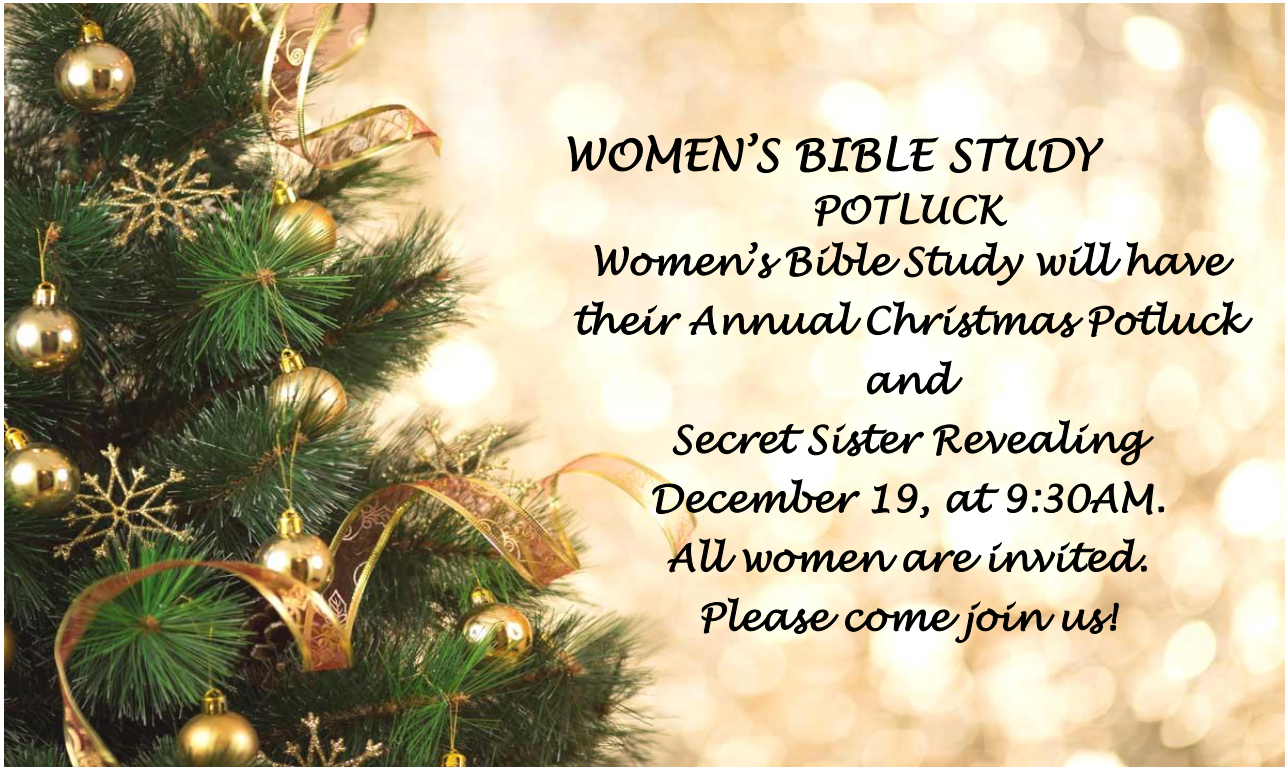

Worship Opportunities for the Week of Christmas
