Car Connection, located at the corner of Route 34 & Eldamain Road (1947 Route 34, Yorkville, 630/552-3060) opened in August of 2016. Partner/Owners George (Bud) Lein and Charles Fulmer had been buying and selling cars for a year and a half and decided to open a location that would allow them a place to display up to 30 different vehicles and have a repair area and an office. Future plans include a picnic table on the grass and a popcorn machine; Coffee has been available for customers since day one.

Car Connection is a no pressure used car dealer catering to a clientele that needs a lower priced vehicle or to establish credit. They intend to build relationships with area buyers who will come back over and over as they get comfortable with their dealership.

The inventory includes older vehicles (passenger cars, SUV's and trucks with mileage typically 70,000 to 140,000 miles) that have been well taken care of by the previous owner. Each vehicle is safety inspected before being put on the lot for sale. Prices range from \$2000 and up, providing affordable choices for all ages.

Financing is available with a small down payment and good work history. The opportunity to make weekly or bi-weekly payments can be extremely helpful to first time or

young buyers or those who do not qualify for traditional lenders.

Various different plans are available from Alpha Warranty Services, an accredited member of the Better Business Bureau. Options include Limited Powertrain (Engine, Transmission, Cooling System and Drive Axel), Powertrain Plus (addition of AC, Electrical and Fuel System coverage), Extended, Extreme or Full Coverage -- all of which provide peace of mind. All service contracts include significant benefits such as complimentary Roadside Assistance, Rental Coverage, Nationwide Protection, Choice of Repair facility and friendly customer service.

Hours of operation are Tuesday through Thursday, 11 AM to 7 PM, Monday, Friday & Saturday, 9 AM to 5 PM, Closed Sunday. Drop by to visit with Bud and tell him you read about Car Connection in the Fox Valley News Shopper.
