

DurhamWorks
To improve your future

Sector Routeway in Health & Social Care

Are you aged 16-24, Living in County Durham & currently not in education, training or employment?

Are you considering a career in Care Work?

If so.... this course may be the one for you!

Funded by DCC Durham Works ESF this 8-12 week programme delivered via classroom sessions & online, will take you through all the steps you need to obtain the knowledge, skills & qualifications to help you prepare for work in the sector.

We will help you to find suitable vacancies, assist in the preparation of CV's or application forms & help you to prepare for your interview.

You will attend training sessions in Consett (2 days per week) & there are also courses & materials available online so you can work from anywhere that has internet access.

Next Course starts 4th March 2019 – but you can enrol at any time

Just in case you were wondering.....

It's not like school!

We are not teachers

It's a relaxed atmosphere & we have a laugh

However....

Royal College
of Occupational
Therapists

You will have to work quite hard
You may find some topics quite challenging!
& there are exams to complete!

But....

You will have plenty of time & support

we have helped lot of people just like you to successfully complete a care course
&
they have left us having achieved loads of certificates & gone into work!

(Please check out some of our facebook reviews!)

What will you study on your course?

It looks like a lot of work(!)-but don't worry- there is loads of support available to help you-(
(look at our facebook reviews to see what previous learners have said!)

We have chosen the content to ensure that you have all of the information, knowledge & skills you need to
secure a job in the care sector

Qualifications you can achieve

- OCN Health & Social Care (Principles & Practice) Level 2
- Level 2 Award Health & Safety in Health & Social Care (RQF)
- Level 2 Award Food Safety in Catering(RQF)
- Royal College of Occupational Therapist Endorsed Moving & Handling (People)
- Health & Safety Executive Compliant First Aid at Work

Other topics you will cover

- What it's like to work in Care
- Practical Skills for Care
- Safeguarding
- Dealing with Behaviour we find challenging
- Communication Skills for Care
- Introduction to Safe handling of Medications
- Equality & Diversity
- Prevent & British Values

Because you will perhaps want to specialise in a particular aspect of care- we have a number of units
online to help you
(you can complete as many as you like!)

Royal College
of Occupational
Therapists

- Dementia Awareness
- End of life Care
- Diabetes Awareness
- Learning Disability Awareness
- Epilepsy Awareness
- Autism Awareness
- Mental Health Awareness

Additional Support Materials (online)-you can complete these if you miss a classroom session- or before the taught session to prepare- or after, to remind you of what we covered-or get ready for an interview

- Mental Capacity Act & Deprivation of Liberty Safeguards (DoLS)
- Nutrition and Hydration
- Dignity & Privacy
- Personal Development
- Principles of Communication
