

February 2013 President’s Message

At our first meeting of the New Year we welcomed guest speaker Andy Morrow who gave an interesting talk on financial planning and retirement. We thanked Andy for coming out and presented him with a small gift to show our appreciation. You always pick up something new at these types of discussions; unfortunately there weren’t that many members in attendance.

The planning for this year’s circus is well underway. There are lots of new marketing materials already ordered and starting to come in. There are posters, coupons, banners and new street signs that all display the rebranded marketing that the circus committee was going for. The new Enchanted Tea Party is generating a lot of interest with everyone that I’ve talked with and should be a great addition to the circus.

We also started to receive contact from the various street fairs that we attend for our summer events fundraising campaign. There may also be opportunity to expand on the street fairs we currently attend, to not only raise more funds for the Hospital Transportation Fund but to also give more awareness to the Shrine Club in Thunder Bay and allow the units to participate and show their stuff. This is also a perfect opportunity for the new and old members to participate in shrine activities.

Noble Grant Poulin,  
President of the Lakehead Shrine Club

Dease Street Face Lift

It’s like a whole new temple in here! Well not exactly, but a lot of work has been done to clean up and refresh the Shrine building. Nobles are encouraged to come out and see the progress.
