### **OUR HISTORY**

On June 25, 1950 war broke out on the Korean Peninsula. By July 1<sup>st</sup> the United States officially entered the Korean War.

During the War, US forces suffered a total of 137,250 casualties, including 36,940 killed, 92,134 wounded, 3,737 missing in action and 4,439 captured. For three long years, US Troops shed blood and tears on the battlefield alongside Republic of Korea forces defending the Republic and on July 27, 1953 the armistice was signed. United States and Republic Of Korea armed forces, to this day, serve together on the peninsula as peace keeping forces.
