

We Are All Kentucky

Cathy Jo Edwards

Hello, my name is Cathy. I am a strong **advocate for all** people with disability. I am also an **employee** and a **homeowner**. I have worked for nearly 13 years. I am employed at the Montgomery County Judge Executive's office. I get the chance to make a difference in the lives of people in my community.

Being a homeowner is a dream come true for me. Before getting my own home, I lived in a residential facility for six years. "No one should ever have to live in a residential facility." I receive a **Medicaid** waiver called the **Supports for Community Living Waiver** and the **Hart-Supported Living Program**. Together they provide a way for me to live in my home with the support that I need.

"Without the Hart Supported Living Program, I couldn't be at home. I couldn't be a part of my community. I pay taxes and contribute."
