**Draft Key Course Rules**

**Cart Paths** - The concrete edging of the cart path defines the cart path. All other improvements (cobble stone areas, drainage areas, monument signage areas, etc.) adjacent to the cart path are not part of the cart path. Grass growing over a cart path is O.B.

**Drop Zones** - Are in-bounds.

**Island Holes** - Disc must come to rest on the marked islands. Bouncing or rolling off island and not remaining on island is O.B. If island missed, take one-stroke penalty and next shot from the designated drop zone. For every additional shot which does not land on the island, take one-stroke penalty and continue to use drop zone until disc lands and remains on the islands.

**Sand Traps** - Unless marked by string, the sand trap is defined as the point where the grass and the sand meet. Treat as a hazard (one-stroke penalty and play it where it lies). No relief provided from sand traps. Rake any footprints left in sand traps. Grass growing over a sand trap is O.B.

**Three Meter Rule** - Tee boxes include an area up to three (3) meters directly behind the designated tee line.

**Two Meter Rule** - In effect for all courses, with a one-stroke penalty.

**Zero Tolerance Policy** - All participants and their guests are expected to abide by all rules and regulations. Any illegal or inappropriate activities will be dealt with immediately. A player will be disqualified if in violation of any laws or regulations, even if the activity occurs before or after a player's round, or anywhere on the Wild Horse property. The disqualified player shall forfeit any prize without refund and be banned from the property. The player is also subject to further disciplinary action by the Professional Disc Golf Association (PDGA) and the Las Vegas Disc Golf Club (LVGGC).
