Welcome! You live in the most culturally, socially and financially diverse neighborhood in St Joseph. Historic Museum Hill Neighborhood Association meets the first Thursday of every month at 7 pm. We usually meet at the City Hall in the first floor meeting room. Please come and meet your neighbors and be sure to bring a friend.

Find out when spring and fall clean up dates are. You can learn how to preserve and enhance your historic home, or building or how to help keep the historic flavor of your neighborhood. Have fun, get to know the people who live in your historic neighborhood and help make a difference.
