SEASONAL FAVORITES

Summer came and went...cooler temperatures are here to stay. It's time to revisit some of our cool weather favorites. For instance, our awesome full body scrub and hot stone back facial both exfoliate to reveal a fresher, younger looking body. Of course our client preferred European style full salon facial or Iontosonic treatment will help undue remnants of the summer sun. And did you know you can add limited hot stone work to any massage for only \$10? Try it and notice the difference. Or go for the full luxury of our exquisite Hot Stone Massage or our Hot Oil Body Wrap.
(Added stone work must be booked when the appointment is made so the stones may be heated.)

The above specials are good during the publication month of this newsletter only and cannot be combined with any other specials or discounts. Please mention these specials when booking to receive the discounted price.
