

“Finding Certainty in an Uncertain Future”

By Pastor Lee

News about a potential split in our denomination has upset a lot of people. There is great concern for our future. In response, here are 5 things we know for sure about our future:

- 1.
- 2.
- 3.
- 4.
- 5.

We don't know the future. We can try to predict, plan, and prepare for it, but we don't know how things will turn out. And contrary to what we'd like to think, we have very little control over it. Take comfort in a quote by the famous philosopher, Alfred Newman of MAD magazine, “What me, Worry?” Or maybe consider this quote from Jesus, found in Matthew 6:34. “So don't worry about tomorrow, for tomorrow will bring its own worries. Today's trouble is enough for today.”

Don't be overwhelmed by an uncertain future. Take time to draw near to God. Place your confidence in the One who does know the future...and is in control of it. Wade in the living water of his presence. Let that time refill and refresh your soul. It is in his presence that we find true peace. It is in his presence we find certainty in an uncertain future.
