Word from the Director

Dear Discovery Montessori Academy Families:

As this year comes to an end, I can't help but look back at the wonderful happening at DMA for 2015. I feel so fortunate to be a part of a community that works together as a family to provide enrichment and support to all our children. Once again, we have demonstrated that "Communication is the Key to Success".

This month is surely one of the exciting months of the year for most of our kids. It is the holiday season and this is a fitting time for all of us to teach our students to be thankful and show them the value of generosity and kindness. This is also the month that we have more days out of school. Parents, let us use this time to bond more with our kids and to continue helping our children in their learning process.

This year was filled with many challenges. As we review the past year, we can see that our efforts have been extremely productive. I commend our staff, parents and families for doing an outstanding job in providing all of our children with so much in the way of academic support, encouragement and love. I look forward to our continued partnership in making Discovery Montessori Academy a place where all children meet with success.

Wishing you a wonderful holiday season filled with happiness, lots of love and good health. See you next year!

Happy Holidays!
Mrs. Angie Tapia
Head of School
