

Maple Dental Plan

We would like to offer to you our own insurance plan. A plan which is available to anyone who does not have third party private dental insurance. Unlike conventional insurance plans, which often require a year to begin fabrication of dentures or crowns, with our Maple Dental Plans, there is **no waiting for major work!** We offer two options:

GOLD PREVENTION PLAN:

One Year Membership Includes:

- 15% OFF all dental procedures*
- Ideal for patients with a FLEX PLAN
- A benefit for anyone who requires \$1,000 of dental care

*does not include specialty services

**\$150/
Year**

PLATINUM PREVENTION PLAN:

- Biannual Regular Cleanings
Those who require periodontal cleanings can apply the value towards their fee, with an additional 15% off
- Annual Oral Examination
- Annual Periodontal Examination
- Annual Set of Necessary Radiographs
- Annual State of the Art Cavity Diagnostic Technology Carivu(R) and Spectra Analysis
- Annual Oral Cancer Screening
- PLUS 15% OFF all dental procedures*

*does not include specialty services

**\$350-
New Patients
\$325-
Members**

We believe that everyone is entitled to a healthy, beautiful smile!

Our knowledgeable and trained professional staff are here with your smile in mind. We offer a full range of restorative services and believe that early diagnosis and preventative care are essential to good oral health. We want your smile to be at its best and are proud to be a mercury-free practice!

We believe that everyone is entitled to a healthy, beautiful smile. Make that possible today by scheduling an appointment with us!

Choose the Maple Prevention Plan today that works for you!
