

2020 Capability Statement

LPS Services is a full-service security agency offering an array of services to meet the security demands of a multitude of industries.

Our proven scalability and strong financial readiness coupled with our dedication to the partnerships we form makes us the right choice to meet your security needs.

We will assist you in drafting site protocols and post orders and provide to you security officers whom meet our stringent experience and training requirements and whom have been fully trained to your site specific standards.
