**President's Letter**

A statement from NOAA Weather reads "In late January 2019, a historic arctic outbreak brought bitterly cold wind chills and record-breaking cold temperatures to the Midwest... The coldest temperatures occurred on the morning of January 31st when Cotton, MN recorded a low of -56, approaching the Minnesota state record low of -60 set back in 1996. ***The low of -56 at Cotton, MN was the coldest temperature recorded in the Lower 48 for this entire period of cold weather!***" Then, not but a few weeks ago, the weather forecaster stated that we have had snow since November 2018, making it 7 months of snow.

A news outlet reported up to 6" of snow fell in parts of MN and WI Saturday night into Sunday, May 19<sup>th</sup> into the morning of May 20<sup>th</sup>, 2019. What we won't go through to enjoy driving our living history Model As! Through the winter we have worked tirelessly on our Model As getting them road ready, having good conversation with our Model A family, and your Board has been working tirelessly on behalf of its membership, which should warm your hearts on such cold days. The weather indeed warmed a bit for the Tune Up Clinic on May 11. It was a wonderful event. Thank you, Jeff and Carissa Halter for providing an amazing venue. Head gaskets, exhaust manifolds, seatbelts, and lots of other projects were worked on as well as good conversation. We are thankful for such great people in the club willing to offer venues to meet, our wonderful Chef Boy UR Delightful, fantastic mechanics willing to teach our newcomers, Boy Scouts getting their hands dirty, drivers willing to take people for a drive in their precious Model As, and for all those involved, those who coordinated the day to those who arrived with grand attitudes.

If your Model A is road ready, you may be interested in the Great Northern Tour. It comes but once every two years, and this is the year. Mr. Persing is our guide and coordinator, and I hear rumor that registration is opening soon. Stay tuned for registration information. Mr. Leder, Ahooga Newsletter Editor, has done a great job taking photos of past tours, so those who cannot attend have the opportunity to enjoy the happenings along with those who toured. Mr. Leder received a nice letter of accomplishment in regards to his newsletter article published in The Restorer's magazine May/June 2019 issue. Will there be another opportunity to submit to The Restorer's magazine in the near future? I hope so. Congratulations Mr. Leder on your accomplishments! Well done!

If a picture is worth a thousand words, a tour is priceless. As all of you are aware, fundraising is an important part of every club; for if there are no funds, there is no club. For those of you who purchased a Kwik Trip Car Wash Card, thank you for contributing to the success of your club. Your modern ride thanks you as well. The Kwik Trip Car Wash Cards are officially SOLD OUT, and the Board will determine the next course of action regarding fundraising. There are some options that are being researched and discussed that have the potential to not only save you money, but also benefit your club. I call that a WIN-WIN. Stay tuned!!

In other news, as your President, it is my duty to pass along that the May 21 Business Meeting went very well. As you review the meeting minutes, you will notice that the Board discussed, and has been discussing, the future meeting venue for the Business Meetings and Clinics. The Board has been very motivated to discuss venue locations from the membership over the last few months. After receiving many comments/opinions from the membership, much was discussed, and much was considered. Although no location is perfect for everyone, a more centrally located venue more fairly serves our membership as well as giving the club more flexibility for meetings/clinics, while controlling our costs. At the Board Meeting, the Board voted unanimously on a motion to have the June Board Meeting at St. Michaels Lutheran Church, 1660 West County Road B, Roseville, MN 55113. We are planning a short tour of the facility, a potluck luncheon to begin around 12:30pm with a discussion period, followed by the Business Meeting. All TCMAFC members are welcome to join us for the tour, potluck luncheon, and business meeting. We welcome your opinions/comments regarding this important decision.

The Board has also been discussing, over the last few months, another major decision, and that is the potential for the TCMAFC to host a National Model A Meet, either a Model A Ford Club of America (MAFCA) or Model A Restorers Club (MARC) Meet. Again, we went to the membership and received comments/opinions, fielded questions, and had numerous discussions with both the MAFCA and MARC Leadership. After many hours of research and conversation, the Board decided unanimously on a motion to table the decision indefinitely. The Board believes that a National Model A Meet is NOT in the best interest of the Twin Cities Model A Ford Club as an organization, and NOT in the best interest of its membership, and therefore the TCMAFC will NOT be hosting a National Meet in the near future at this time.

Although the winter has been long, the Board has spent hundreds of hours of their time this winter researching and discussing major decisions regarding the direction and the future of your club. It is the Board's desire to do what is in the best interest of the club and membership as a whole, and I believe the directions taken this month are in the best interest of the club and its membership, and just as it is inevitable that change will happen, I am certain that in the coming weeks the direction of the weather will change in our favor for tours and meets. Enjoy your piece of living history, your club is in good hands.

Change is inevitable, change will always happen,  
but you have to apply direction to change, and that's when it's progress.  
~Doug Baldwin~

See you at the Pancake Breakfast, Catherine

## 2019 MAFCA Free Membership

Again this year, MAFCA is extending the free membership application opportunity for prospective members to join MAFCA for 2019. The free memberships are available to all Model A enthusiasts who have never been members of MAFCA. We would like to request that those who sign up for these memberships have an avid interest in Model A Fords.

Going forward to 2020, the membership renewal dues will be \$50 for USA.

Twin Cities Model A Ford Club

**UNFINISHED BUSINESS:**

**TCMAFC Meeting/Clinic location for 2019-2020:** Mrs. Jammer brought additional information to the Board regarding the potential relocation for club meetings/clinics. Photos of St. Michael's Lutheran Church were passed around. After discussion, Mr. Rude made a motion for the TCMAFC June Board Meeting be held on June 29<sup>th</sup> at St. Michael's Lutheran Church, seconded by Mr. Portlance. It was decided that the Board would plan a short tour of the facility, a potluck luncheon to begin around 12:30pm with a discussion period, followed by the Business Meeting. Time frame will be 12p – 3p. Mrs. Jammer confirmed scheduled TCMAFC Clinic Dates with St. Michael's current schedule for current conflicts through May 2020, and there are no conflicts as of this time. Mr. Persing made a motion to give Mrs. Jammer the authority to book clinic dates at St. Michael's should St. Michael's contact TCMAFC President with anticipated clinic dates being requested by other organizations. Motion was seconded by Mr. Portlance, and motion was carried.

**Tool Lending Program Policy:** Discussion carried over from last month. Mrs. Jammer presented information received by MARC Leadership regarding the club liability as it relates to the Tool Lending Program Policy. It was the Board's decision that the current Liability Disclaimer printed in the TCMAFC Membership Roster is sufficient.

**MODEL A WHEELS OBTAINED FROM RECYCLING CENTER:** Mr. Rude presented the club with updated information regarding the club obtaining 32 Model A Wheels from a Recycling Center. Mr. Persing made a motion to provide a one year TCMAFC membership to the owner of the Recycling Center for her desire to preserve these pieces of living history, seconded by Mr. Rude. The owner asked if any Model A owners would like to join the Aug. 9-11, 2019 Almelund Threshing Show in Almelund, MN, we would be welcomed.

**NEW BUSINESS:**

**JUNE BUSINESS MEETING:** TCMAFC June Board Meeting to be held on June 29<sup>th</sup> at St. Michael's Lutheran Church, 1660 West County Road B, Roseville, MN 55113, 12P – 3P. ## May Men's Clinic

This Clinic brought to a close our series of monthly Thursday night men's clinics until fall. No need to worry as we already have planned clinics slated for the fall. This night's presenter was Phil Zins who has presented before sharing with us his knowledge and passion for creating tools and undertaking repairs and rebuilding procedures on various Model A parts and assemblies. Phil displayed some of his specially modified and crafted tools that he has developed for shift lever ball grinding, brake cross shaft repairs, carburetor Venturi removal, various bushing drivers and removers. Phil also created an engine stand/test stand that he brought in. He had seven topics that he covered. Questions were answered and we were able to see clever solutions to Model A repairs. We had Jimmy Lake receive a MARC mileage award for his accomplishment of 10,000 Model A miles driven. As always the club library of books and videos were available and we had time to socialize with some treats that were brought in. We can look back at this season's clinics as a success with a lot of knowledge exchanged and the opportunity to meet and exchange information with each other. The Clinic presenters, organizers and the volunteers that bring the books, videos and treats all go out of their way to make sure these nights are successful and a loud and sustained THANK YOU to you all!

## Tune up Clinic

Members Jeff and Carissa Halter hosted this years tune up clinic at their home in Corcoran. They have a wonderful property that accommodated the event. We had at least 24 cars on site for the event and many members came by modern car. The Halter's have a nice modern shop space with a car lift and a lot of tools. We not only had our club members in attendance we also had a group of Boy Scouts who were able to attend this event and earn credit towards a merit badge in automotive understanding. This group of scouts learned basic automotive knowledge and were hands on while being mentored by our club members. These young men asked great questions and were helpful thru out the event. We hope to see more of the scouts at our events. Seat belts were installed , alignments were preformed, basic tune ups and adjustments were completed. The biggest job was brought in by Dale Pomerleau who thought changing a head gasket would make an interesting and informative teaching event. This repair is not uncommon at some time or another in the life of the Model A. One never knows just how easy the head removal will be. This job was a stubborn one, a number of helpers were on hand. The correct head puller was used and it was just a miserable stubborn head that enjoyed fighting with our group. This was a good learning experience for the newbies and those that have never done it before. Finally the head came off and the process of cleaning and reinstallation with explanation to those present about head torquing and gasket preparation were taught. We lucked out with a dry day and we had a large spread for lunch. Doug Persing made the groups main plate items of pulled pork, pulled chicken and beef brisket. Many members brought dishes to share and the lunch social time was a success. Many members drove their cars quite a distance just to make it a destination and it was nice to see some Model A's woken up after that long winter. Numerous people do a lot of the busy work to get these events put together and to run, namely our Clinic Coordinators, the volunteer mechanics and our food preparation people. Thank you to you all and especially our hosts the Halters.

## *The Contest Has Started .....*

We are holding a contest for all members to submit their favorites photos of this year's Model A activities. We will allow up to three photo submissions per member. Total of Six per family. Winners will be chosen and prizes will be awarded.

### **The rules are as follows:**

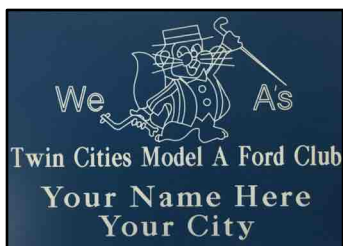

Submit any photos that were taken from November 1st. of 2018 until October 31st. of 2019.

Photo subject must be Model A themed, which could include club activities, period dress, Model A's out and about in today's world. Photos may contain people, pets, scenery and any creative touches you want to include. **Surprise us with your submissions!**

When you submit the photos, you agree that we may use them in the publication of the Ahoogah Newsletter.

Submit your photos any time prior to the contest ending date of October 31st. 2019. Any photos must be submitted by November 10th. 2019 to be included in the judging.

Submit your photos as a printed item, minimum size of the photo should be 3" x 5". You may print the photo on your home computer printer in either black and white or color, on regular paper, you may also choose to submit a processed photo on photo paper. The printed form of submissions will be the easiest for the judging panel to evaluate. Since most photos are shot on digital media today make note of the digital file and keep it handy. Should your photo be chosen we may request a digital file of the winning photos or a processed printed copy so we may use it in the printing of the Newsletter. All photos have an equal chance of winning and we invite any and all submissions.

**Name Badges are available for \$6.22 (tax included) they come with a spring loaded clamp on the back that will not damage clothing.**
