**THEME:** "Enter Another Dimension" is a general works Rogues show. The show will be presented online in our new virtual 3-D Gallery. Works can be in any media including 3-D or video. We will need only 24 pieces so the show will be juried. We will need electronic images. There will be a \$5.00 fee for each piece entered and accepted.

**RECEPTION:** The reception for "Enter Another Dimension" will occur on line.

**CATALOG:** A multi-page PDF catalog of the show will be emailed to the attendees.

**ELIGIBILITY:** Open to any Rogues Artist Group member in good standing. Sculpture, artist's books, video, assemblage, photography, metalwork, jewelry, etchings, collage, fibers are all welcomed.

- All art must be original and never been included in a previous Rogues show and must have been created in the last 2 years. **No old work please!**
- **Compositions from published material, other artist's work, or from photographs not taken by the artist are copyright infringement and not considered original works.**

**ELECTRONIC IMAGE REQUIREMENTS: PLEASE CONTACT US IF HELP IS NEEDED. THIS SOUNDS MORE COMPLICATED THAN IT IS. WE HAVE VOLUNTEERS WAITING TO HELP YOU.**

1. **Plain colored frames** can be computer generated by the program and shown with or without a mat (white mats only). This works well for work that is behind glass like watercolors or pastels. Send the image of your work without the frame and specify frame color to be generated. You can send a color swatch.
2. **Elaborate or custom framed work:** We will need 2 images from you. One of the

unframed work and one of the framed work. Thomas Buchs has volunteered to Photoshop the work into the frame. This eliminates any shadows caused by the frame. Tom can also create a digital frame for you. Please contact him via email with your preference.

3. **For wrapped canvases:** The program cannot display art that extends around the edge of the canvas. A black, white or color of your choice museum edge will be generated by the program for all wrapped pieces. You will need to specify the color.
4. **For 3-D work:** 3-D work will be shown "billboard" style. A frontal shot of the work will be displayed. A full "walk-around" video of the work can be linked to the billboard.
5. **Linked video:** When creating a video of the artwork: the dimensions of the billboard image will determine, how the video (height x width) will be displayed. We **STRONGLY** recommend that you use a still frame taken from the video, or create the "billboard" image with exactly the same proportion as you wish the video to be shown.

Please name artwork file: artist's name\_title\_medium

Please name frame file: Title\_frame

Please name video file Artist\_title\_video

**File size for all** including for the video: 1MB – 5MB

**AWARDS:** Ribbons for Best Of, First, Second, Third Place and 1 Honorable Mention. Ribbons will be awarded prior to the opening. A ribbon icon will be "pasted" to the winners' labels and real ribbons will be mailed.

**JUROR/JUDGE:** TBD

**LIABILITY:** Submission of an application form constitutes the agreement to all conditions listed in this prospectus.

**SALES:** Work does NOT have to be for sale. There will be no commission charged. All inquiries will go through the gallery site and be forwarded directly to the artists and it will be up to the artist to negotiate the terms of the sale. Beware of scammers! I strongly suggest using Pay Pal for your transactions. Each artist assumes all responsibility for sales tax.
