If you have any special requirements or needs that would help with your ability to exhibit your equipment please let us know. We will try our best to accommodate you. If it would be helpful to bring your tractors and engines in early, you are welcome to do so. This is a free event with no entry fees for participants or guests; however we ask that there are no vendors or golf carts.

If you are exhibiting a steam engine we request that you register at least two weeks in advance so we can arrange for your particular needs.
