

Hello All,

I have negotiated a discounted price for AVUTA members who want to take the CPR class with Carolyn Forston. She has agreed to teach a class at your sites (if you have at least 8 people confirmed and paid). Your site rep or reps should be scheduling a class soon at your site. The cost for AVUTA members is \$30.00 (\$40.00 for Preschool because they require more) this gives them the class, book, and CPR card. Ask your site rep for the coupon to give to the instructor at the time of the CPR class. We will also be holding a class at the district office in February (I will announce the date as soon as it is confirmed). I am excited to offer this discounted price to our members so that they can be trained in case anything happens. Thank you for all you do!
