Newsletter for the Pontiac Enthusiast

August 2010

The Metro Cruise is Sat. Aug. 28. A number of club members park together along 28th by Rogers Plaza, usually in front of the Big Boy Restaurant. It helps to get there early as they don't allow saving of parking spots. We try to be there by 7AM and have breakfast after we get setup. The Friday night before has become a very nice night for cruising too, with a lot of action around the Rogers Plaza area. If you plan on coming on Sat. drop me a line so I know about how many spots to try to keep available. Remember we aren't suppose to save spots.

**CAR SHOW—AUGUST 6
ELHART AUTOMOTIVE CAMPUS - HOLLAND
6 - 9 PM**

We are asking club members to bring a \$10.00 door prize for the car show to the Gilmore Cruise In meeting on August 4. Club members do not have to pay a registration fee to show their car at the show, so we would appreciate your help in providing a door prize to help lessen the clubs expenses. Thanks

A LITTLE TRIVIA

This is from Joan Troost's sister in Ohio:
Taken from the county report in Dayton Ohio, the GTOAA/POCI CoVention generated nearly \$4 million of economic impact for the county. There were over 10,000 room nights rented by convention goers in addition to restaurants and shopping dollars.

FOR SALE

Due to changes in my work schedule I'm forced to sell my project. It consists of 2 1958 Pontiac Chieftains.

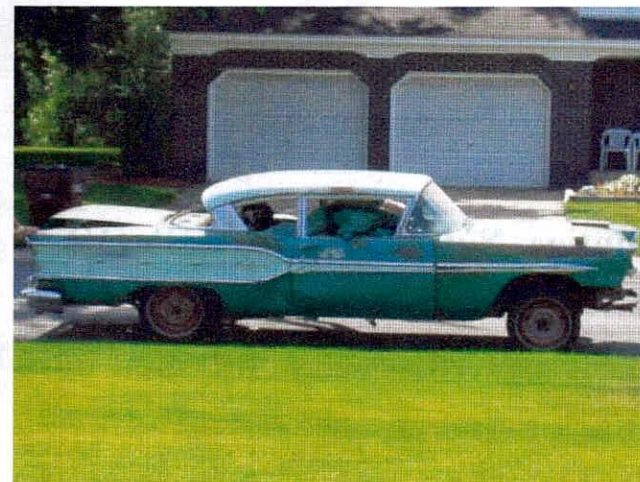

One is a drivable 4-door hardtop that I intended to use as a donor. The other is a 2-door sedan from South Dakota . The body is currently off & the chassis work is underway. Some of the engine work has also been professionally completed. I have many good parts including a tri-power manifold and carbs, plus a set of (4) 15" X 8" vintage American Racing wheels.

I prefer to sell all as a package to a fellow hobbyist.

I'm asking \$3500.00

More pictures are available.

My name is Jim Rypstra & I can be reached at 616-813-3247.

CHIEF'S CHATTER

Wow is summer going fast!! In case you missed it the POCI Convention is in the books. Charleston WV was a nice venue for the show. The Kanawha Blvd. was a great place for parking cars all week and there was a nice amphitheatre on the river for concerts and award ceremonies. It was very warm (HOT) but hey it's summer. The swap meet was under the freeway and the points judged show was in the Civic Center, which made it a great way to cool off. As usual there were many beautiful cars ranging from a Brass Era Oakland - which won Best of Show, to the "end of the road" models (for Pontiac). Next years convention will be in Bowling Green, Ky.

August is shaping up to be a busy month. Our August meeting will be on **WEDNESDAY** August 4— not Tuesday. We will cruise on down to Gilmore Car Museum for their weekly Wednesday night cruise in. The club will provide hotdogs and brats. Please bring a dish to pass, your beverage and table service. We will meet by the gas station at the 100th St. exit of US131 at 5:45. There is a driveway between the gas station and the ramp to NB 131.

Friday, August 6 is our car show at the Elhart Automotive Campus in Holland. We can use all the help we can get. Many hands make light work. We would like each member to bring a door prize worth approximately \$10.00. Please bring it to the Cruise In down at Gilmore so we know how many we have before the night of the show and whether or not the club needs to purchase a few more.

Thanks!
