

## THE CIIMA: *COURAGE IN INTEGRATIVE MEDICINE AWARD*

- Sponsored by the Global Health Institute:

*“The Courage in Integrative Medicine Award (CIIMA) was established in 2007 to honor and recognize those individuals (Physicians, Educators, Researchers, or Administrators) within the Integrative Medicine community whose courageous perseverance has served to advance the evolution and integration of healthcare for better patient outcomes.”*

### Recipients of the CIIMA: 2007-2012

**2011 CIIMA Recipient: Larry Dossey MD.** (recognition for lifetime achievement)

Larry Dossey, M.D. Dr. Dossey is a world recognized Visionary and pioneer in advancing the integration of healthcare and is the recipient of the 2011 “Courage in Integrative Medicine Award.” Larry Dossey has inspired thousands of Healthcare providers and medical Educators. In his 1989 *Recovering the Soul*, he introduced the concept of “non-local mind.” Since then, many leading scientists have adopted this model as an emerging image of consciousness. Dr. Dossey is also the co-founder and current executive editor of *EXPLORE: The Journal of Science and Healing*, a leading peer reviewed journal in the field of integrative medicine. He lectures internationally and has written eleven books, including *Meaning & Medicine*, *Healing Words*, *The Extraordinary Healing Power of Ordinary Things*, and most recently *The Power of Premonitions* (Dutton, 2009).
