

## Mission & Service

Mission & Service is The United Church of Canada's main fund and the largest contributor to our annual budget. Mission & Service donations support congregations and new church development, Canadian outreach programs, international relief and development, training and supporting ministers, maintaining ecumenical relationships, and administration and governance work.

## Emergency Response

In the event of a major disaster, the church can issue an appeal for donations over and above those for Mission & Service. Visit the [Act Now section](#) of the United Church of Canada website for a complete list of appeals.

## Gifts with Vision

## The Healing Fund

[The Healing Fund](#) is one facet of the United Church's ongoing work of reconciliation with Indigenous peoples dealing with the long-term effects of residential schools. The fund is used to support many innovative and effective programs in Indigenous communities that are helping people in the healing process.
