Agates Football Slip by Pine City 12-8

By John Sandstrom

The Agates football team started strong against Pine City last Friday enroute to a 12-8 home victory. They had a long drive that ended in a touchdown when Alec Churness scored on a two yard run.

Head Coach Tom Nelson said, "It was a strange game. After that second touchdown, Pince City made some adjustments that gave us a lot of trouble. We had four possessions in the second half and fumbled three times."

Pine City scored with seven minutes to go in the game and the Agates stopped Pine City as senior safety Jake Marxhausen batted down a pass attempt on the goal line as time expired. As Coach Nelson stated, "I give Pine City a lot of credit. We did some things well, but it could have ended badly for us."

Senior quarterback Clark Nelson has just returned to action. He was injured in the second half of the first game and is thrilled to be on the field. "This is a tight knit team with a lot of seniors. I don't want to miss any more time."

Clark agrees with Coach Nelson about the recent game being strange. "We were rolling the first couple of series. Pine City made some adjustments and made the remainder of the game a real challenge for us."

When asked to reflect on the season, Clark said his favorite part has been "just to have a normal season. We are grateful for that. We have avoided any covid problems and I am happy to be on the field each day with my buddies."

Clark also commented on how much fun it has been to see the younger players improve. "We had a number of young players from Marshall join us when they joined our program. I wondered how it would work. It has been great. They have fit in real well and are all good guys. We have all developed good relationships with them."
