4PetSake Food Pantry, a non-profit organization will be holding its 7th ANNUAL COLIE'S 6K RUN & WALK on **Saturday, September 30th, 2023** at Dyn's Cider Mill at 7915 State Highway 28 in Richfield Springs, NY. This event will be held to raise money for 4PetSake's Herkimer, Montgomery and Oneida County low cost Spay and Neuter program which strives to reduce the number of unwanted litters of cats and dogs in our area. This program is for qualified pet owners who have limited funds, veterans and low income senior citizens who find it difficult in this tough economy. Our goal is to keep these animals in their loving homes while reducing the many litters of animals that end up surrendered to shelters or abandoned. We also provide spay and neuter services for feral cats, which have increased in number in Herkimer, Montgomery and Oneida County communities. When these cats are altered, they are also given rabies shots to prevent the spread of this dangerous disease. Finally, we make efforts to relocate the altered feral cats to local farms. We are the only organization in these counties working on this community problem, and we do it solely through our own fundraising and the donations that we receive from kind people.

Please sponsor our Colie's 6K Run & Walk to help us to continue our work to keep animals in their homes and to reduce the number on the streets. As a sponsor your name will be on our T-Shirt for all our participants to see. We also invite you to participate in this family event which is part of the Route 20 Road Challenge Series 2023. We truly need your support.
