

# BALLOT

## BOARD OF DIRECTORS

### ELECTIONS FOR PESC'S BOARD OF DIRECTORS WILL BE HELD IN-PERSON

during the 19<sup>th</sup> Annual PESC Spring Membership Meeting Wednesday May 4, 2017 at 5:30pm at the Embassy Row Hotel in Washington, D.C. PESC Membership meetings are open to all PESC Members & with prior notification, other interested parties.

Those nominees appearing on this ballot will have five minutes each to address the Members immediately prior to 'in-person' elections. Nominees, who may want to introduce themselves to PESC Members sooner as they may not be as familiar with the official voting representatives from each PESC Member or who wish to communicate with Members over the coming weeks, are able to communicate directly and independently with official voting representatives. The PESC office also offers to facilitate a maximum of two (2) communications (emails, letters, etc.) from each nominee at their request. In turn the PESC office will issue that nominee's communication(s) to the PESC Members over the PESC Member listserv.

### NOTE THAT PESC DOES NOT ACCEPT 'WRITE-IN' CANDIDATES.

Due to specific bylaws requiring diversity in directorship representation, a slate of nominees is presented from which Members vote. At this time there are eight (8) nominees for six (6) Board of Director seats.
