

What happens after tryouts???

We will begin contacting player's parents (listed on tryout registration form) the evening of tryouts with team offers.

A member of our staff will contact every prospective student athlete's parent no later than 8pm on Wednesday, September 28th. At that time, we will (1) Offer the athlete a position on an Eastern Elite team, OR (2) Tell the athlete that we are still selecting team members and we need more time to determine their placement, OR (3) Notify the athlete that we do not have a position for them this season.

If you are told that we need more time, you will hear from us again. However you are always welcome to contact us to check on your status. Contact us at info@easternelitevolleyball.org or 919-922-9488

To accept a position on an Eastern Elite team:

A verbal commitment is made by player's parent via phone at the time of the offer. *

Once you have verbally committed you will need to pay your team member acceptance deposit of \$100. This is a non-refundable deposit and will be deducted from your total season dues. Submission of this deposit is your formal commitment to becoming a member of an Eastern Elite team for the 2022-2023 season. To pay your acceptance deposit, visit <http://www.easternelitevolleyball.org/membership-dues.html> and click on the accept your position payment button.

After your acceptance deposit has been received you will receive an email welcoming you to the Eastern Elite program within 2-3 business days. This email will include important information regarding signing day to be held Sunday, October 2.

****We hope that if offered a position on an Eastern Elite team that you will commit to playing for us! We encourage you to view all the information on our website regarding pricing, uniforms and tournament schedules and discuss as a family. If you do need some time to think about your offer, we request that you let us know your decision within 24 hours of the offer being made. Please understand it is never our intention to pressure you when we extend an offer to play for one of our teams, but we do ask that you please try to remember the other girls that have tried out...as they are also patiently waiting for position offers. Eastern Elite will always follow the guidelines of the Carolina Region of USA Volleyball and will never rescind an offer to play for our program, however after 24 hours we will continue our team placement calls and add additional players to the roster.***

If you are not selected this season, it is normal to feel disappointed, but please do not be discouraged! We hope you continue working hard and that you try out again next year. **Never give up!!!** Our coaches are happy to share their suggestions for what they think you should concentrate on before next year's tryouts. Just ask!
