

# REGISTRATION UPDATE

---

July 29, 2020

Dear S.T.A.R.S. Families,

Originally we planned to begin registrations August 1st. Due to the uncertainty of Governor Whitmer's plans, we have decided to delay registrations until August 15th. No matter the decision of the school— whether it be hybrid, 5 days, or virtual, we will be here to provide our child care services to your family when your students return to the classroom. We feel it would be unrealistic to ask our parents to plan for a school year with so many unanswered questions. The purpose of this delay is to provide our Governor and our schools the required time needed to make the best plan possible for the safety of our kids. Thank you all for being flexible and understanding!

Best regards,

Kathi Remus  
S.T.A.R.S. Owner
