

**BYLAW NO. 182
SUMMER VILLAGE OF SILVER SANDS**

Being a Bylaw of the Summer Village of Silver Sands to Amend Bylaw 159, Control and Regulation of Disposal of Sewage

WHEREAS the Council of the Summer Village of Silver Sands passed a bylaw to control and regulate the disposal of sewage and wastewater in the municipality; and

WHEREAS Council wishes to amend that bylaw to acknowledge effectively working systems that do not meet the criteria outlined in the bylaw in place; and

WHEREAS Council wishes to allow fully functioning septic systems to be “grandfathered” until such time as there is a system breakdown;

NOW THEREFORE, the Council of the Summer Village of Silver Sands, in the Province of Alberta, duly assembled, enacts as follows:

Item 4 be amended and renumbered as follows:

4. a) After September 30, 2003 no owner of a parcel of land which is within one of the areas described in Section 2 of this by-law or which is a property described in Section 3 of this bylaw shall have, permit or allow an outdoor privy or any other system for the disposal of sewage or waste water on the parcel of land which results in the disposal of sewage and waste water into the ground.
- b) Notwithstanding Section 4 a, septic field systems that are working effectively may continue to be used, however, once a system breakdown or failure of any kind occurs, the system must be brought into compliance with the regulations of Bylaw 159 within 60 days.

This Bylaw shall come into full force and effect on its final passing.

READ a first time this 10th day of June 2003.

READ a second time this 10th day of June 2003.

UNANIMOUSLY CONSENTED TO AND READ a third and final time this 10th day of June 2003.
