

Friday Night Friends

October Newsletter

We hope everyone had an awesome time at this year's fall festival! Thanks to all who helped make it a success. As a reminder there is **NO FRIDAY NIGHT FRIENDS IN NOVEMBER.** We will meet again on **DECEMBER 14TH**. This is a change from previous years so please mark your calendars. December 14th we will have our traditional "Birthday Party for Jesus." Cupcakes and juice boxes will be provided. Please let the FNF staff know if your child is not allowed to have a snack prior to the event so we can try to make a suitable substitution. In keeping with this tradition, we request that participants bring items to be shared with the Salvation Army's women's shelter. A list of suggested items will be made available on our website www.fnfroanoke.com.

As we move into the flu season our healthcare team would like to remind everyone to monitor your child for any flu symptoms prior to attending any FNF events. Our top priority is providing ALL of our "friends" a fun, safe, environment. As a reminder, ALL communication concerning closings, date changes, etc. is done through our website. We no longer provide any email updates. Thank you parents for all you do and allowing us the privilege to hang out with our "friends!"

As we approach November and get ready for Thanksgiving, the leadership team would like to share how thankful we are for all our participants and their families, the student nurses from VWCC, the churches who support us and the absolutely amazing volunteers who make this program possible! Blessings to you all and see you in December!
